ARTICLE 2
ISSUE, DESCRIPTION, EXECUTION, REGISTRATION AND EXCHANGE OF NOTES

Section 2.01 Designation Amount and Issue of Notes.

The Notes shall be designated as £300,000,000 4.750% Guaranteed Notes due 2023. Upon the execution of this Indenture, and from time to time thereafter, Notes may be executed by the Issuer and delivered to the Trustee for authentication, and the Trustee shall thereupon authenticate and deliver Notes upon a written order of the Issuer (an “*Authentication Order*”), such order signed by two Officers without any further action by the Issuer hereunder.

The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture is unlimited; *provided* that upon initial issuance, the aggregate principal amount of Notes outstanding shall not exceed £300,000,000, except as provided in Sections 2.07 and 2.08. The Issuer may, without notice to or consent of the Holders, issue Additional Notes from time to time in the future in an unlimited principal amount, subject to compliance with the terms of this Indenture.

Section 2.02 Form of Notes.

(a) *Temporary Global Notes.* Notes offered and sold will be issued initially in the form of the Temporary Global Note, which will be deposited on behalf of the purchasers of the Notes represented thereby with, and registered in the name of, BT Globenet Nominees Limited as nominee for the Common Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee or the authenticating agent as hereinafter provided. The Restricted Period will be terminated upon the receipt by the Trustee of:

(i) a written certificate from Euroclear and Clearstream, substantially in the form of Exhibit G, certifying that they have received certification of non-U.S. beneficial ownership in the form of Exhibit F of 100% of the aggregate principal amount of the Temporary Global Note; and

(ii) an Officers' Certificate from the Issuer stating that the Restricted Period has been terminated.

Following the termination of the Restricted Period, beneficial interests in the Temporary Global Note shall be exchanged for beneficial interests in a Permanent Global Note pursuant to the Applicable Procedures, including the procedures set forth in Section 2.02(b). Upon the completion of such full exchange, simultaneously with the authentication of the Permanent Global Note, the Trustee shall cancel the Temporary Global Note.

(b) *Euroclear and Clearstream Procedures Applicable.* The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream will be applicable to transfers of beneficial interests in the Temporary Global Note and the Permanent Global Note that are held by Participants through Euroclear or Clearstream.

(c) *Permanent Global Notes and Global Notes Generally.* Permanent Global Notes will be substantially in the form of Exhibit A1 hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form will be printed in accordance with applicable legal requirements and the requirements of the Irish Stock Exchange (from time to time) and will be substantially in the form of Exhibit A1 hereto (including the Definitive Note Legend thereon but without the Permanent Global Note Legend thereon except to the extent included in the Definitive Note Legend and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Common Depositary, at the direction of the Trustee in accordance with instructions given by the Holder as required by Section 2.06 hereof. The terms and provisions contained in the form of Note attached as Exhibit A1 hereto shall constitute, and are hereby expressly made, a part of this Indenture and, to the extent applicable, the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

Any of the Notes may have such letters, numbers or other marks of identification and such notations, legends, endorsements or changes as the Officers executing the same may approve (execution thereof to be conclusive evidence of such approval) and as are not inconsistent with the provisions of this Indenture, or as may be required by the Common Depositary or as may be required to comply with any applicable law or with any rule or regulation made pursuant thereto or with any rule or regulation of any securities exchange or automated quotation system on which the Notes may be listed, or to conform to usage, or to indicate any special limitations or restrictions to which any particular Notes are subject.

Section 2.03 Date and Denomination of Notes; Payments of Interest.

(a) The Notes shall be issuable in registered form without coupons in minimum denominations of £100,000 principal amount and integral multiples of £1,000 in excess thereof. Each Note shall be dated the date of its authentication and shall bear interest from the date specified on the face of the form of Note attached as Exhibit A1 hereto. The day count fraction applied to determine the amount of interest payable in respect of each Note will be calculated on the following actual/actual (ICMA) basis:

(i) if the Accrual Period is equal to or shorter than the Determination Period during which it ends, the day count fraction will be the number of days in the Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) two; and

(ii) if the Accrual Period is longer than one Determination Period, the day count fraction will be the sum of:

(x) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (1) the number of days in such Determination Period and (2) two; and

(y) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) two.

(b) The Person in whose name any Note (or its Predecessor Note) is registered on the Register at 5.00 p.m., London time, on any Record Date with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date. Interest shall be payable at the office of the Issuer maintained by the Issuer for such purposes, which shall initially be an office or agency of the Trustee. The Issuer shall pay interest (i) on any Notes in certificated form by check mailed to the address of the Person entitled thereto as it appears in the Register; *provided, however*, that a Holder of any Notes in certificated form in the aggregate principal amount of more than £2.0 million may specify by written notice to the Issuer that it pay interest by wire transfer of immediately available funds to the account specified by the Holder in such notice, or (ii) on any Global Note by wire transfer of immediately available funds to the account of the Common Depositary or its nominee. If a payment date is not a Business Day, payment shall be made on the next succeeding Business Day, and no additional interest shall accrue thereon. The term "Record Date" with respect to any interest payment date shall mean the Business Day immediately preceding the applicable interest payment date.

Any interest on any Note which is payable, but is not punctually paid or duly provided for, on any April 13th or October 13th (herein called “*Defaulted Interest*”) shall forthwith cease to be payable to the Holder registered as such on the relevant Record Date, and such Defaulted Interest shall be paid by the Issuer, at its election in each case, as provided in clause (i) or (ii) below:

(i) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at 5.00 p.m., London time, on a special record date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment (which shall be not less than twenty-five (25) calendar days after the receipt by the Trustee of such notice, unless the Trustee shall consent to an earlier date), and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a special record date for the payment of such Defaulted Interest which shall be not more than fifteen (15) calendar days and not less than ten (10) calendar days prior to the date of the proposed payment, and not less than ten (10) calendar days after the receipt by the Trustee of the notice of the proposed payment (unless the Trustee shall consent to an earlier date). The Trustee shall promptly notify the Issuer of such special record date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the special record date therefor to be sent by electronic transmission or mailed, first-class postage prepaid, to each Holder at its address as it appears in the Register, not less than ten (10) calendar days prior to such special record date (unless, the Trustee shall consent to an earlier date). Notice of the proposed payment of such Defaulted Interest and the special record date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at 5.00 p.m., London time, on such special record date and shall no longer be payable pursuant to the following clause (ii) of this Section 2.03(b).

(ii) The Issuer may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange or automated quotation system on which the Notes may be listed or designated for issuance, and upon such notice as may be required by such exchange or automated quotation system, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Section 2.04 Execution of Notes.

Notes shall be signed in the name and on behalf of the Issuer by the manual or facsimile signature of an Officer. The Trustee will, upon receipt of an Authentication Order, authenticate Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Issuer pursuant to one or more Authentication Orders, except as provided in Sections 2.07 and 2.08 hereof.

Only such Notes as shall bear thereon a certificate of authentication substantially in the form set forth on the form of Notes attached as Exhibit A1 hereto, executed manually by the Trustee (or an authenticating agent appointed by the Trustee as provided by Section 16.11), shall be entitled to the benefits of this Indenture or be valid or obligatory for any purpose. Such certificate by the Trustee (or such an authenticating agent) upon any Note executed by the Issuer shall be conclusive evidence that the Note so authenticated has been duly authenticated and delivered hereunder and that the Holder is entitled to the benefits of this Indenture.

In case any Officer who shall have signed any of the Notes shall cease to be such Officer before the Notes so signed shall have been authenticated and delivered by the Trustee, or disposed of by the Issuer, such Notes nevertheless may be authenticated and delivered or disposed of as though the person who signed such Notes had not ceased to be such Officer, and any Note may be signed on

behalf of the Issuer by such persons as, at the actual date of the execution of such Note, shall be the proper Officers, although at the date of the execution of this Indenture any such person was not such an Officer.

Section 2.05 Registrar, Paying Agents and Transfer Agents.

The Issuer will maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“*Registrar*”) and an office or agency where Notes may be presented for payment (“*Paying Agent*”). The Registrar will keep a register of the Notes and of their transfer and exchange (the “*Register*”). The Issuer may appoint one or more co-registrars and one or more additional paying agents and transfer agents. The term “*Registrar*” includes any co-registrar and transfer agent, the term “*Paying Agent*” includes any additional paying agent and transfer agent. The Issuer may change any Paying Agent or Registrar without notice to any Holder, subject to the provisions of Section 4.02 hereof. The Issuer, the Guarantors or any of their Subsidiaries may act as Paying Agent or Registrar.

Deutsche Bank AG, London Branch has been appointed to act as the Common Depositary with respect to the Global Notes.

The Issuer initially appoints Deutsche Bank Luxembourg S.A. of 2 Boulevard Konrad Adenauer, L-1115 Luxembourg to act as the Registrar and a transfer agent and Deutsche Bank AG, London Branch to act as the Paying Agent and a transfer agent with respect to the Global Notes.

The Agents shall only be obliged to perform duties set out in this Indenture and the terms and conditions of the Notes and shall have no implied duties. The obligations of the Agents appointed herein are several and not joint (other than the obligations of any authentication agent appointed by the Trustee pursuant to the terms of this Indenture). No funds held by any Agent other than the Issuer, a Guarantor or a Subsidiary pursuant to this Indenture will be held in trust or segregated except as required by law. While any default by the Issuer in making payment of principal, premium if any, or interest on the Notes continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer, a Guarantor or a Subsidiary) will have no further liability for the money. If the Issuer, a Guarantor or a Subsidiary acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer, the Trustee will serve as Paying Agent for the Notes. The Agents appointed by the Issuer hereunder shall act solely as Agents of the Issuer and need have no concern for the interest of the Holders.

Section 2.06 Transfer and Exchange.

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred except as a whole by the Common Depositary to a nominee of the Common Depositary, by a nominee of the Common Depositary to the Common Depositary or to another nominee of the Common Depositary, or by the Common Depositary or any such nominee to a successor Common Depositary or a nominee of such successor Common Depositary. Global Notes will be exchanged by the Issuer for Definitive Notes if:

(i) the Issuer delivers to the Trustee notice from the Depositary or Common Depositary that it is unwilling or unable to continue to act as Depositary or Common Depositary and a successor Depositary or Common Depositary, as the case may be, is not appointed by the Issuer within 90 days after the date of such notice from the Depositary; or

(ii) the Issuer in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect

to the Trustee; *provided* that in no event shall the Temporary Global Note be exchanged by the Issuer for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act; or

(iii) the owner of a beneficial interest in a Global Note requests such exchange in writing delivered through either Euroclear or Clearstream or if Euroclear or Clearstream request such exchange following the occurrence and continuance of an Event of Default with respect to the Notes.

Upon the occurrence of either of the preceding events in (i) or (ii) above, Definitive Notes shall be issued in such names as the Depository shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.08 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 (other than upon any of the preceding events in (i), (ii) or (iii)) or Section 2.07 or 2.08 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c) or (f) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depository, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Global Note in accordance with the transfer restrictions set forth in the Permanent Global Note Legend or Temporary Global Note Legend, as applicable; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(i).

(ii) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(i) above, the transferor of such beneficial interest must deliver to the Registrar either:

(A) both:

(i) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (B)(i) above;

provided that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Temporary Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act.

(c) *Transfer or Exchange of Beneficial Interests for Definitive Notes.*

(i) *Beneficial Interests in Global Note to Definitive Notes.* A beneficial interest in a Global Note may not be exchanged for a Definitive Note except in limited circumstances as provided in Section 2.06(a). If any holder of a beneficial interest in a Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon receipt by the Registrar of the following documentation:

(F) if such beneficial interest is being transferred to the Company or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof,

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Company shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest in a

Global Note pursuant to this Section 2.06(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Global Note pursuant to this Section 2.06(c)(i) shall bear the Definitive Note Legend and shall be subject to all restrictions on transfer contained therein.

(ii) *Beneficial Interests in Temporary Global Note to Definitive Notes.* Notwithstanding Sections 2.06(c)(i)(A) and (C) hereof, a beneficial interest in the Temporary Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B) under the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(F) if such Definitive Note is being transferred to the Company or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof,

the Trustee will cancel the Definitive Note, increase or cause to be increased the aggregate principal amount of, the Global Note.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e).

(g) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.09 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(i) To permit registrations of transfers and exchanges, the Issuer will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.04 hereof or at the Registrar's request.

(ii) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.08, 3.03 and 9.04 hereof).

(iii) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(v) Neither the Registrar nor the Issuer will be required:

(A) to issue, to register the transfer of or to exchange any Note for a period of fifteen (15) days prior to (1) any date fixed for the redemption of the Notes, (2) the date fixed for selection of Notes, to be redeemed in part or (3) the Record Date with respect to any interest payment date;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(vii) The Trustee or an authenticating agent appointed pursuant to the terms of this Indenture will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.04 hereof.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

Section 2.07 Mutilated, Destroyed, Lost or Stolen Notes.

In case any Note shall become mutilated or be destroyed, lost or stolen, the Issuer in its discretion may execute, and upon its written request the Trustee or an authenticating agent appointed by the Trustee shall authenticate and make available for delivery, a new Note, bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. In every case, the applicant for a substituted Note shall furnish to the Issuer, to the Trustee and, if applicable, to such authenticating agent such security or indemnity bond as may be required by them to save each of them harmless for any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Issuer, to the Trustee and, if applicable, to such authenticating agent evidence to their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

Following receipt by the Trustee or such authenticating agent, as the case may be, of satisfactory security or indemnity bond and evidence, as described in the preceding paragraph, the Trustee or such authenticating agent may authenticate any such substituted Note and make available for delivery such Note. Upon the issuance of any substituted Note, the Issuer may require the payment by the Holder of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. In case any Note which has matured or is about to mature or has been called for redemption, as the case may be, shall become mutilated or be destroyed, lost or stolen, the Issuer may, instead of issuing a substitute Note, pay or authorize the payment of or exchange or authorize the exchange of the same (without surrender thereof except in the case of a mutilated Note), as the case may be, if the applicant for such payment or exchange shall furnish to the Issuer, to the Trustee and, if applicable, to such authenticating agent such security or indemnity bond as may be required by them to save each of them harmless for any loss, liability, cost or expense caused by or in connection with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Issuer, the Trustee and, if applicable, any Paying Agent evidence to their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

Every substitute Note issued pursuant to the provisions of this Section 2.07 by virtue of the fact that any Note is destroyed, lost or stolen shall constitute an additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Note shall be found at any time, and shall be entitled to all the benefits of (but shall be subject to all the limitations set forth in) this Indenture equally and proportionately with any and all other Notes duly issued hereunder. To the extent permitted by law, all Notes shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment or exchange or redemption of mutilated, destroyed, lost or stolen Notes and shall preclude any and all other rights or remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment or exchange or redemption of negotiable instruments or other securities without their surrender.

Section 2.08 Temporary Notes.

Pending the preparation of Notes in certificated form, the Issuer may execute and the Trustee or an authenticating agent appointed by the Trustee shall, upon the written request of the Issuer,

authenticate and deliver temporary Notes (printed or lithographed). Temporary Notes shall be issuable in any authorized denomination, and substantially in the form of the Notes in certificated form, but with such omissions, insertions and variations as may be appropriate for temporary Notes, all as may be determined by the Issuer. Every such temporary Note shall be executed by the Issuer and authenticated by the Trustee or such authenticating agent upon the same conditions and in substantially the same manner, and with the same effect, as the Notes in certificated form. Without unreasonable delay, the Issuer will execute and deliver to the Trustee or such authenticating agent Notes in certificated form and thereupon any or all temporary Notes may be surrendered in exchange therefor, at each office or agency maintained by the Issuer pursuant to Section 4.02 and the Trustee or such authenticating agent shall authenticate and make available for delivery in exchange for such temporary Notes an equal aggregate principal amount of Notes in certificated form. Such exchange shall be made by the Issuer at its own expense and without any charge therefor. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits and subject to the same limitations under this Indenture as Notes in certificated form authenticated and delivered hereunder.

Section 2.09 Cancellation of Notes.

All Notes surrendered for the purpose of payment, redemption or registration of transfer shall, if surrendered to the Issuer or any Paying Agent or any Registrar, be surrendered to the Trustee and promptly canceled by it or, if surrendered to the Trustee, shall be promptly canceled by it and no Notes shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Trustee shall dispose of such canceled Notes in accordance with its customary procedures. If the Issuer shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Notes unless and until the same are delivered to the Trustee for cancellation.

Section 2.10 Common Code and ISIN Number.

The Issuer in issuing the Notes may use a “Common Code” number or an “ISIN” number, and if so, such Common Code and/or ISIN number shall be included in notices of redemption or purchase as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness or accuracy of the Common Code and/or ISIN number printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly notify the Trustee and each Agent of any change in the Common Code and/or ISIN number.

Section 2.11 Issuance of Additional Notes.

The Issuer will be entitled, upon delivery of an Officers’ Certificate, Opinion of Counsel and Authentication Order, subject to its compliance with Section 4.10, to issue Additional Notes under this Indenture that will have identical terms to the Initial Notes issued on the date of this Indenture other than with respect to the date of issuance and issue price.

With respect to any Additional Notes, the Issuer will set forth in a resolution of its Board of Directors and an Officers’ Certificate, a copy of each of which will be delivered to the Trustee, the following information:

- (1) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture; and
- (2) the issue price, the issue date and the Common Code and ISIN number of such Additional Notes.

ARTICLE 3
REDEMPTION OF NOTES

Section 3.01 Optional Redemption of Notes.

The Issuer may redeem on any one or more occasions some or all of the Notes before they mature. The redemption price (the “*Redemption Price*”) will equal the sum of (1) an amount equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest up to, but not including, the Redemption Date and (2) a Make-Whole Premium; *provided* that, the Issuer will not redeem the Notes on any date if the principal amount of the Notes has been accelerated, and such an acceleration has not been rescinded or cured on or prior to such date (except in the case of an acceleration resulting from a default by the Issuer in the payment of the Redemption Price with respect to the Notes to be redeemed). Notwithstanding the foregoing, if the Notes are redeemed on or after ninety (90) days prior to the Maturity Date, the Redemption Price will not include a Make-Whole Premium; *provided further* that if the Redemption Date falls after a Record Date and on or prior to the corresponding interest payment date, the Issuer will pay the full amount of accrued and unpaid interest, if any, on such interest payment date to the Holder of record at the close of business on the corresponding Record Date (instead of the Holder surrendering its Notes for redemption) and the Redemption Price shall not include accrued and unpaid interest up to, but not including, the Redemption Date.

Section 3.02 Redemption upon Changes in Withholding Tax.

The Issuer may, at its option, redeem the Notes in whole, but not in part, upon not less than 30 days’ and not more than 60 days’ published notice as contemplated in Section 3.03 below, at any time at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant interest payment date prior to the Redemption Date, if any, then due and that shall become due on such Redemption Date as a result of the redemption or otherwise) if:

(a) it determines that as a result of (i) any change in, or amendment to, the law (or any regulations or rulings promulgated thereunder) or treaties of the United States (or any political subdivision or taxing authority thereof or therein having power to tax) (a “*Relevant Taxing Jurisdiction*”), or (ii) any change in, or amendment to, any official position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published administrative practice), which change or amendment is announced as formally proposed on or after the date of the Prospectus, it or any Guarantor becomes or will become obligated to pay additional amounts pursuant to Section 4.14; or

(b) any act is taken by a Relevant Taxing Jurisdiction on or after the date of the Prospectus, whether or not such act is taken with respect to the Issuer or any affiliate, that results in a substantial probability that it or any Guarantor will or may be required to pay additional amounts pursuant to Section 4.14,

provided that it or the relevant Guarantor or Guarantors (as the case may be) determine, in its or their business judgment, that the obligation to pay additional amounts pursuant to Section 4.14 cannot be avoided by taking reasonable measures available to it or them (which does not include substitution of the Issuer or any Guarantor under the Notes) and the Issuer or the relevant Guarantor or Guarantors (as the case may be) have received an Opinion of Counsel (to the effect that as a result of such change or amendment the Issuer will, or that an act taken by a Relevant Taxing jurisdiction has resulted in a substantial probability that it or any Guarantor will, or may, be required to pay the additional amounts described in Section 4.14) and the Issuer or the Guarantors shall have delivered to the Trustee an Officer’s Certificate stating that, based on such opinion, the Issuer is entitled to

redeem the Notes pursuant to their terms. The Trustee will accept and shall be entitled to rely on such Officers' Certificate and Opinion of Counsel as sufficient evidence of the existence and satisfaction of the conditions precedent as set forth in this Section, in which event it will be conclusive and binding on the Holders.

Section 3.03 Notice of Optional Redemption, Selection of Notes.

In case the Issuer shall desire to exercise the right to redeem all or, as the case may be, any part of the Notes pursuant to Section 3.01 or 3.02, it shall fix a date for redemption and it or, at its written request received by the Trustee not fewer than five (5) Business Days prior (or such shorter period of time as may be acceptable to the Trustee) to the date the notice of redemption is to be sent, the Trustee in the name of and at the expense of the Issuer, shall mail or cause to be mailed, or sent by electronic transmission a notice of such redemption not fewer than thirty (30) calendar days nor more than sixty (60) calendar days prior to the Redemption Date to each Holder of Notes so to be redeemed in whole or in part at its last address as the same appears on the Register; *provided* that if the Issuer makes such request of the Trustee, it shall, together with such request, also give written notice of the Redemption Date to the Trustee, *provided further* that the text of the notice shall be prepared by the Issuer. Such mailing shall be by first class mail or sent by electronic transmission. The notice, if sent in the manner herein provided, shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Note designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Concurrently with the sending of any such notice of redemption, the Issuer shall issue a press release announcing such redemption, the form and content of which press release shall be determined by the Issuer in its sole discretion. The failure to issue any such press release or any defect therein shall not affect the validity of the redemption notice or any of the proceedings for the redemption of any Note called for redemption.

While the Notes are represented by Global Notes, notice may be given to Euroclear or Clearstream Banking for communications to Participants and, so long as the Notes are listed on the Official List of the Irish Stock Exchange and admitted for trading on the regulated market and, in connection with any redemption, the Issuer will forthwith notify the Irish Stock Exchange of any change in the principal amount of Notes outstanding. So long as the Notes are listed on the Irish Stock Exchange, the Issuer shall notify, or cause to be notified, such Stock Exchange of each redemption of Notes made pursuant to this Indenture.

Each such notice of redemption shall specify: (i) the aggregate principal amount of Notes to be redeemed, (ii) the Common Code and ISIN number or codes and numbers of the Notes being redeemed, (iii) the Redemption Date (which shall be a Business Day) and the record date, (iv) the Redemption Price at which Notes are to be redeemed, (v) the place or places of payment and that payment will be made upon presentation and surrender of such Notes and (vi) that interest accrued and unpaid to, but excluding, the Redemption Date will be paid as specified in said notice, and that on and after said date interest thereon or on the portion thereof to be redeemed will cease to accrue. If fewer than all the Notes are to be redeemed, the notice of redemption shall identify the Notes to be redeemed (including Common Codes and ISIN numbers, if any). In case any Note is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that, on and after the Redemption Date, upon surrender of such Note, a new Note or Note in principal amount equal to the unredeemed portion thereof will be issued.

On or prior to the Redemption Date specified in the notice of redemption given as provided in this Section 3.03, the Issuer will deposit with the Paying Agent (or, if the Issuer is acting as its own Paying Agent, set aside, segregate and hold in trust as provided in Section 4.04) an amount of money in immediately available funds sufficient to redeem on the Redemption Date all the Notes (or portions thereof) so called for redemption at the appropriate Redemption Price; *provided* that if such payment is made on the Redemption Date, it must be received by the Paying Agent, by 10.00 a.m., London time, on such date. The Issuer shall be entitled to retain any interest, yield or gain on amounts deposited with the Paying Agent pursuant to this Section 3.03 in excess of amounts required hereunder to pay the Redemption Price.

If less than all of the outstanding Notes are to be redeemed, the Trustee shall select the Notes or portions thereof of the Global Notes or the Notes in certificated form to be redeemed (in principal amounts of £100,000 or integral multiples of £1,000 in excess thereof) by lot, on a pro rata basis by use of a pool factor or by another method the Trustee deems fair and appropriate or is required by the Depositary. The Notes (or portions thereof) so selected for redemption shall be deemed duly selected for redemption for all purposes hereof.

Section 3.04 Payment of Notes Called for Redemption by the Issuer.

If notice of redemption has been given as provided in Section 3.03, the Notes or portion of Notes with respect to which such notice has been given shall become due and payable on the Redemption Date and at the place or places stated in such notice at the Redemption Price, and unless the Issuer shall default in the payment of such Notes at the Redemption Price, interest on the Notes or portion of Notes so called for redemption shall cease to accrue on and after the Redemption Date and, on and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price) such Notes shall, except as provided in Section 7.05 and Section 11.02, cease to be entitled to any benefit or security under this Indenture, and the Holders thereof shall have no right in respect of such Notes except the right to receive the Redemption Price thereof. On presentation and surrender of such Notes at a place of payment in said notice specified, the said Notes or the specified portions thereof shall be paid and redeemed by the Issuer at the Redemption Price, together with interest accrued thereon to, but excluding, the Redemption Date.

Upon presentation of any Note redeemed in part only, the Issuer shall execute and the Trustee shall authenticate and make available for delivery to the Holder thereof, at the expense of the Issuer, a new Note or Notes, of authorized denominations, in principal amount equal to the unredeemed portion of the Notes so presented.

Section 3.05 Sinking Fund.

There shall be no sinking fund provided for the Notes.

ARTICLE 4
PARTICULAR COVENANTS OF THE COMPANY

Section 4.01 Payment of Notes.

The Issuer covenants and agrees that it will duly and punctually pay or cause to be paid when due the principal of (including the Redemption Price upon redemption pursuant to Article 3), and premium, if any, and interest on each of the Notes at the places, at the respective times and in the manner provided herein and in the Notes; *provided* that the Issuer may withhold from payments of interest and upon redemption pursuant to Article 3, maturity or otherwise, any amounts the Issuer is required to withhold by law.

Section 4.02 Maintenance of Office or Agency.

The Issuer will maintain the offices and the agencies specified in Section 2.05. As of the date of this Indenture, such offices shall be as set out in Section 2.05 and, at any other time, at such other address or addresses as the Trustee, a Paying Agent or the Registrar may designate from time to time by notice to the Issuer. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency not designated or appointed by the Trustee. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office.

The Issuer may change the Registrar or a Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee, without prior notice to the Holders; provided, however, that no such removal shall become effective until (a) acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (b) notification to the Trustee that the Trustee shall, to the extent that it determines that it is able, serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (a) above; provided, further, that in no event may the Issuer appoint a Paying Agent in any member state of the European Union where the Paying Agent would be obliged to withhold or deduct tax in connection with any payment made by it in relation to the Notes unless the Paying Agent would be so obliged if it were located in all other member states. The Registrar or Paying Agent may resign by providing 30 days' written notice to the Issuer and the Trustee. In addition, for so long as the Notes are listed on the Official List of the Irish Stock Exchange and admitted to trading on the Regulated Market, the Issuer shall publish notice of the change in the Registrar or Paying Agent to the extent and in the manner permitted by the rules and regulations of the Irish Stock Exchange, posted on the official website of the Irish Stock Exchange.

Section 4.03 Appointments to Fill Vacancies in Trustee's Office.

The Issuer and the Guarantors, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, upon the terms and conditions and otherwise as provided in Section 7.10, a Trustee, so that there shall at all times be a Trustee hereunder.

Section 4.04 Provisions as to Paying Agent.

(a) If the Issuer shall appoint a Paying Agent, or if the Trustee shall appoint such a Paying Agent, other than the initial Paying Agent, Deutsche Bank AG, London Branch, the Issuer will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 4.04, and Deutsche Bank AG, London Branch, as initial Paying Agent, hereby agrees:

(i) that it will give the Trustee notice of any failure by the Issuer (or by any other obligor on the Notes) to make any payment of the principal of and premium, if any, or interest on the Notes when the same shall be due and payable; and

(ii) that at any time during the continuance of an Event of Default, upon request of the Trustee, it will forthwith pay to the Trustee all sums so held in trust.

The Issuer shall, on or before 10.00 am, London time, on the Business Day prior to each due date of the principal of, premium, if any, or interest on the Notes, deposit with the Paying Agent a sum (in funds which are immediately available on the due date for such payment) sufficient to pay such principal, premium, if any, or interest and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee and the Paying Agent of any failure to take such action. Subject to actual receipt of such funds as provided by this Section 4.04(a) by the Paying Agent, the Paying Agent shall make payments on the Notes in accordance with the provisions of this Indenture. The Issuer shall ensure that two Business Days prior to the date that such payment is due to be made, it will confirm in writing to the Paying Agent in a form agreed upon by the Paying Agent and the Issuer the payment scheduled to be made. No Agent shall be obliged to make payment to Holders until such time as it has received funds and been able to identify or confirm receipt of funds.

The Paying Agent shall not be obliged to make payment to Holders until such time as it has received funds and been able to identify or confirm receipt of funds.

(b) If the Issuer shall act as its own Paying Agent, it will, on or before each due date of the principal of, premium, if any, or interest on the Notes, set aside, segregate and hold in trust for the benefit of the Holders a sum sufficient to pay such principal, premium, if any, and interest so becoming due and will promptly notify the Trustee of any failure to take such action and of any failure by the Issuer (or any other obligor under the Notes) to make any payment of the principal of, premium, if any, or interest on the Notes when the same shall become due and payable.

(c) Anything in this Section 4.04 to the contrary notwithstanding, the Issuer may, at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by the Issuer or any Paying Agent hereunder as required by this Section 4.04, such sums to be held by the Trustee upon the trusts herein contained and upon such payment by the Issuer or any Paying Agent to the Trustee, the Issuer or such Paying Agent shall be released from all further liability with respect to such sums.

(d) Anything in this Section 4.04 to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section 4.04 is subject to Section 11.02 and Section 11.03.

(e) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.

(f) The Issuer and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Prior to receiving such written notice from the Trustee, the Agents shall be the agents of the Issuer and need have no concern for the interests of the Holders except as set forth in this Indenture.

(g) The Agents will hold all funds as bankers subject to the terms of this Indenture and as a result, such money will not be held in accordance with the rules established by the Financial Services Authority in the Financial Services Authority's Handbook of rules and guidance from time to time in relation to client money.

The Trustee shall not be responsible for the actions of any other Paying Agents (including the Issuer if acting as its own Paying Agent) and shall have no control of any funds held by such other Paying Agents.

Section 4.05 Existence.

Subject to Article 10 hereof, each of the Issuer and the Guarantors will do or cause to be done all things necessary to preserve and keep in full force and effect its existence and rights (charter and statutory); *provided* that neither the Issuer nor the Guarantors shall be required to preserve any such right if the Issuer or the Guarantors, as applicable, shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer or the Guarantors, as applicable, and that the loss thereof is not disadvantageous in any material respect to the Holders.

Section 4.06 Reports.

(a) Whether or not required by the rules and regulations of the SEC, so long as any Notes are outstanding, the Guarantors will furnish to the Holders of Notes or cause the Trustee to furnish to the Holders of Notes, within the time periods specified in the SEC's rules and regulations:

(i) all quarterly and annual reports of the Company and the General Partner that would be required to be filed with the SEC on Forms 10-Q and 10-K if the Guarantors were required to file such reports; and

(ii) all current reports of the Company and the General Partner that would be required to be filed with the SEC on Form 8-K if the Guarantors were required to file such reports.

All such reports will be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. Each annual report on Form 10-K will include a report on the Company's and the General Partner's consolidated financial statements by the Guarantors' independent registered public accounting firm. In addition, the Guarantors will file a copy of each of the reports referred to in clauses (i) and (ii) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing) and will make the reports available on the Company's website within those time periods. Notwithstanding the foregoing, the Guarantors may satisfy their obligation to furnish the reports described above by furnishing, or filing with the SEC for public availability, reports of each of the Guarantors within the time periods specified in the SEC's rules and regulations.

If, at any time, the Guarantors are no longer subject to the periodic reporting requirements of the Exchange Act for any reason, the Guarantors will nevertheless continue filing the reports specified in the preceding paragraphs with the SEC within the time periods specified above unless the SEC will not accept such a filing. The Issuer and the Guarantors will not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept either Guarantor's filings for any reason, they will post the reports referred to in the preceding paragraphs to be available on the General Partner's website within the time periods that would apply if the Guarantors were required to file those reports with the SEC.

(b) So long as the Notes are listed on the Official List of the Irish Stock Exchange and admitted to trading on the Regulated Market, all reports referred to in this section will be available at the offices of the Paying Agent in Ireland.

Section 4.07 Stay, Extension and Usury Laws.

The Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law or other law which would prohibit or forgive the Issuer from paying all or any portion of the principal, premium, if any, or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture and the Issuer (to the extent it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 4.08 Compliance Certificate.

Within one hundred twenty (120) calendar days after the end of each fiscal year of the Issuer, the Issuer and the Guarantors shall deliver to the Trustee a certificate signed by any of the principal executive officer, principal financial officer or principal accounting officer of the Issuer and the Guarantors, as the case may be, stating whether or not the signer has knowledge of any Default under this Indenture, and, if so, specifying each Default and the nature and the status thereof.

The Issuer will deliver to the Trustee, promptly upon becoming aware of (i) any Default in the performance or observance of any covenant, agreement or condition contained in this Indenture, or (ii) any Event of Default, an Officers' Certificate specifying with particularity such Default or Event of Default and further stating what action the Issuer has taken, is taking or proposes to take with respect thereto.

Any notice required to be given under this Section 4.08 shall be delivered to a Responsible Officer of the Trustee at its Corporate Trust Office.

Section 4.09 Taxes.

The Company will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.10 Limitations on Incurrence of Indebtedness.

(a) The Company will not, and will not permit any of its Subsidiaries to, Incur any Indebtedness, other than Intercompany Indebtedness and guarantees of Indebtedness Incurred by the Company or any of its Subsidiaries in compliance with this Indenture, if, immediately after giving effect to the Incurrence of such Indebtedness and the application of the proceeds thereof, Total Outstanding Debt would be greater than 60% of Total Assets as of the end of the fiscal quarter covered in the annual or quarterly report of the Company most recently furnished to Holders of the Notes or filed with the SEC, as the case may be.

(b) The Company will not, and will not permit any of its Subsidiaries to, Incur any Secured Debt, other than guarantees of Secured Debt Incurred by the Company or any of its Subsidiaries in compliance with this Indenture, if, immediately after giving effect to the Incurrence of such Secured Debt and the application of the proceeds thereof, the aggregate principal amount of Secured Debt would be greater than 40% of Total Assets as of the end of the fiscal quarter covered in the annual or quarterly report of the Company most recently furnished to Holders of the Notes or filed with the SEC, as the case may be.

(c) The Company and its Subsidiaries will at all times maintain Total Unencumbered Assets of not less than 150% of the aggregate outstanding principal amount of Unsecured Debt.

(d) The Company will not, and will not permit any of its Subsidiaries to, Incur any Indebtedness other than Intercompany Indebtedness and guarantees of Indebtedness Incurred by the Company or any of its Subsidiaries in compliance with this Indenture, if the ratio of Consolidated EBITDA to Interest Expense for the most recent quarterly period covered in the annual or quarterly report of the Company most recently furnished to holders of the Notes or filed with the SEC, as the case may be and in accordance with Section 4.06 hereof, prior to such time, annualized (i.e., multiplied by four (4)) prior to the date on which such additional Indebtedness is to be Incurred shall have been less than 1.50:1.00 on a pro forma basis after giving effect thereto and to the application of the proceeds therefrom, and calculated on the assumption that:

(i) such Indebtedness and any other Indebtedness Incurred by the Company and its Subsidiaries since the first day of such quarterly period and the application of the proceeds therefrom, including to refinance other Indebtedness, had occurred at the beginning of such period;

(ii) the repayment or retirement of any Indebtedness (other than Indebtedness repaid or retired with the proceeds of any other Indebtedness, which repayment or retirement shall be calculated pursuant to the preceding clause (1)) by the Company and its Subsidiaries since the first day of such quarterly period had been repaid or retired at the beginning of such period (except that, in making such computation, the amount of Indebtedness under any revolving credit facility shall be computed based upon the average daily balance of such Indebtedness during such period);

(iii) in the case of Acquired Indebtedness or Indebtedness Incurred in connection with any acquisition since the first day of such quarterly period, the related acquisition had occurred as of the first day of such period with the appropriate adjustments with respect to such acquisition being included in such pro forma calculation; and

(iv) in the case of any acquisition or disposition of any asset or group of assets or the placement of any assets in service or removal of any assets from service by the Company or any of its Subsidiaries from the first day of such quarterly period to the date of determination, including, without limitation, by merger, or stock or asset purchase or sale, the acquisition, disposition, placement in service or removal from service had occurred as of the first day of such period, with appropriate adjustments to Interest Expense with respect to the acquisition, disposition, placement in service or removal from service being included in that pro forma calculation.

Section 4.11 Maintenance of Properties.

The Issuer and the Company shall cause all of their material properties used or useful in the conduct of its business or the business of any Subsidiary to be maintained and kept in good condition, repair and working order, casualty and condemnation excepted (and the Issuer and the Company may take out of service for a period of time, any of their properties that have been condemned or suffered any loss due to casualty in order to make such repairs, betterments and improvements), all as in the judgment of the Issuer and the Company may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided, however*, notwithstanding anything herein to the contrary, (i) the Issuer and the Company may discontinue the maintenance of any of such properties if such discontinuance is, in the judgment of the Issuer and the Company, desirable in the conduct of its business or the business of any Consolidated Subsidiary and not disadvantageous in any material respect to the Holders, and (ii) the Issuer and the Company and their Subsidiaries may sell or otherwise dispose of any of their properties for value in the ordinary course of business.

Section 4.12 Insurance.

The Issuer and the Company shall cause each of their properties and each of the properties of their Subsidiaries to be insured against loss of damage with insurers of recognized responsibility, in commercially reasonable amounts and types as determined by the Issuer and the Company and with insurers of recognized responsibility.

Section 4.13 Maintenance of Listing.

The Issuer will use its commercially reasonable efforts to list and to maintain the listing of the Notes on the Official List of the Irish Stock Exchange and gain admittance to trading of the Notes on the Regulated Market for so long as such Notes are outstanding; provided that if at any time the Issuer determines that it is unable to list or it can no longer reasonably comply with the requirements for listing the Notes on the Official List of the Irish Stock Exchange and admission to trading of the Notes on the Regulated Market or if the Issuer, acting in good faith, considers that maintenance of such listing has become unduly onerous and is of the opinion that not maintaining such listing would not be materially prejudicial to the interests of the Holders, the Issuer may use its commercially reasonable efforts to obtain prior to the delisting of the Notes from the Official List of the Irish Stock Exchange and withdrawal from trading of the Notes on the Regulated Market, and thereafter use its commercially reasonable efforts to maintain, a listing of such Notes on such other stock exchange or exchanges or securities markets as the Issuer may decide.

The Issuer will at all times use its commercially reasonable efforts to procure that there will be furnished to any stock exchange on which the Notes are from time to time listed or quoted such information in relation to the Issuer and/or the Guarantors as such stock exchange may require in accordance with its normal requirements or in accordance with any arrangements for the time being made with any such stock exchange.

Section 4.14 Payment of Additional Amounts.

All payments of principal and interest on the Notes will be made free and clear of and without withholding or deduction for or on account of any present or future tax, assessment or other governmental charge (collectively, “*Taxes*”) imposed by any Relevant Taxing Jurisdiction, unless the withholding of such Taxes is required by law or the official interpretation or administration thereof. The Issuer will, subject to the exceptions and limitations set forth below, pay such additional amounts as are necessary in order that the net payment of the principal of and interest on the Notes to a Holder who is not a United States person for United States federal income tax purposes, after deduction for any present or future Taxes of any Relevant Taxing Jurisdiction, imposed by withholding with respect to the payment, will not be less than the amount such Holder would have received if such Taxes had not been withheld or deducted; provided, however, that the foregoing obligation to pay additional amounts shall not apply:

(a) to any Taxes that are imposed or withheld solely by reason of the Holder or beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, member or shareholder of the Holder if the Holder is an estate, trust, partnership or corporation, or a Person holding a power over an estate or trust administered by a fiduciary holder) being considered as:

(i) being or having been present or engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(ii) having a current or former relationship with the United States, including a relationship as a citizen or resident thereof;

(iii) being or having been a foreign or domestic personal holding company, a passive foreign investment company or a controlled foreign corporation with respect to the United States or a corporation that has accumulated earnings to avoid United States federal income tax;

(iv) being or having been a “10-percent shareholder” of the obligor under the Notes within the meaning of section 871(h)(3) of the United States Internal Revenue Code of 1986, as amended (the “*Code*”), or any successor provisions; or

(v) being or having been a bank receiving interest described in section 881(c)(3)(A) of the Code or any successor provisions;

(b) to any Holder that is not the sole beneficial owner of the Note, or a portion thereof, or that is a fiduciary or partnership, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership would not have been entitled to the payment of an additional amount had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;

(c) to any Taxes that are imposed or withheld solely by reason of the failure to (i) comply with certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with a Relevant Taxing Jurisdiction of the Holder or beneficial owner of such Note, if compliance is required by statute or by regulation of the Relevant Taxing Jurisdiction as a precondition to relief or exemption from such Taxes (including the submission of an applicable United States Internal Revenue Service (“*IRS*”) Form W-8 (with any required attachments)) or (ii) comply with any informational gathering and reporting requirements or to take any similar action (including entering into any agreement with the IRS), in each case, that are required to obtain the maximum available exemption from withholding by a Relevant Taxing Jurisdiction that is available to payments received by or on behalf of the Holder;

(d) to any Taxes that are imposed otherwise than by withholding from the payment;

(e) to any Taxes that are imposed or withheld solely by reason of a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;

(f) to any estate, inheritance, gift, sales, excise, transfer, wealth or personal property tax or a similar tax, assessment or governmental charge;

(g) to any Taxes required to be withheld by any Paying Agent from any payment of principal of or interest on any Note, if such payment can be made without such withholding by any other Paying Agent;

(h) to any Taxes that are imposed or levied by reason of the presentation (where presentation is required in order to receive payment) of such Notes for payment on a date more than 30 days after the date on which such payment became due and payable, except to the extent that the Holder or beneficial owner thereof would have been entitled to additional amounts had the Notes been presented for payment on any date during such 30 day period;

(i) to any withholding or deduction in respect of any tax, assessment or governmental charge where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 or any law implementing or complying with, or introduced in order to conform to, such directive;

(j) to any backup withholding or any Taxes imposed under Sections 1471 through 1474 of the Code, any current or future regulations or official interpretations thereof and any agreements entered into pursuant to Section 1471(b)(1) of the Code; or

(k) in the case of any combination of any items (a) through (k).

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable thereto. Except as specifically provided by this Section 4.14, the Issuer and the Guarantors shall not be required to make any payment with respect to any tax, assessment or governmental charge imposed by any government or a political subdivision or taxing authority thereof or therein.

Section 4.15 Officers' Certificate for Additional Amounts.

If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay additional amounts with respect to any payment under or with respect to the Notes or the Guarantees, the Issuer or the Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay additional amounts arises less than 45 days prior to that payment date, in which case the Issuer or the Guarantor shall notify the Trustee promptly thereafter) an Officers' Certificate stating the fact that additional amounts will be payable and the amount estimated to be so payable. The Officers' Certificate must also set forth any other information necessary to enable the Paying Agent to pay such additional amounts to holders on the relevant payment date. The Issuer and the Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of additional amounts. The Trustee shall be entitled to rely solely on such Officers' Certificate as conclusive proof that such payments are necessary.

ARTICLE 6
REMEDIES OF THE TRUSTEE AND THE HOLDERS ON AN EVENT OF DEFAULT

Section 6.01 Events of Default.

In case one or more of the following (“*Events of Default*”) (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) shall have occurred and be continuing:

(a) default for thirty (30) days in the payment of any installment of interest under the Notes; or

(b) default in the payment of the principal amount or Redemption Price due with respect to the Notes, when the same becomes due and payable; or

(c) each of the Issuer and the Guarantors fails to comply with any of its other agreements contained in the Notes or this Indenture upon receipt by the Issuer of notice of such default by the Trustee or by Holders of not less than 25% in aggregate principal amount of the Notes then outstanding and the Issuer or the Guarantors, as applicable, fails to cure (or obtain a waiver of) such default within sixty (60) days after the Issuer receives such notice; or

(d) failure to pay any Indebtedness that is (a) of the Issuer, the Guarantors or any Subsidiary in which the Company has invested at least \$75,000,000 in capital (a “*Significant Subsidiary*”) or any entity in which the Company is the general partner, and (b) in an outstanding principal amount in excess of \$75,000,000 at final maturity or upon acceleration after the expiration of any applicable grace period, which Indebtedness is not discharged, or such default in payment or acceleration is not cured or rescinded, within sixty (60) days after written notice to the Issuer from the Trustee (or to the Issuer and the Trustee from Holders of at least 25% in principal amount of the outstanding Notes); or

(e) the Issuer, the Guarantors or any Significant Subsidiary pursuant to or under or within meaning of any Bankruptcy Law:

(i) commences a voluntary case or proceeding seeking liquidation, reorganization or other relief with respect to the Issuer, the Guarantors or a Significant Subsidiary or its debts or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Issuer, the Guarantors or a Significant Subsidiary or any substantial part of the property of the Issuer, the Guarantors or a Significant Subsidiary; or

(ii) consents to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against the Issuer, the Guarantors or a Significant Subsidiary; or

(iii) consents to the appointment of a custodian of it or for all or substantially of its property; or

(iv) makes a general assignment for the benefit of creditors; or

(f) an involuntary case or other proceeding shall be commenced against the Issuer, the Guarantors or any Significant Subsidiary seeking liquidation, reorganization or other relief with respect to the Issuer, the Guarantors or a Significant Subsidiary or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Issuer, the Guarantors or a Significant Subsidiary or any substantial part of the property of the Issuer, the Guarantors or a Significant Subsidiary, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of thirty (30) calendar days; or:

(g) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that

(i) is for relief against the Issuer, the Guarantors or any of Significant Subsidiary in an involuntary case or proceeding;

(ii) appoints a trustee, receiver, liquidator, custodian or other similar official of the Issuer, the Guarantors or a Significant Subsidiary or any substantial part of the property of the Issuer, the Guarantors or a Significant Subsidiary; or

(iii) orders the liquidation of the Issuer, the Guarantors or a Significant Subsidiary; and, in each case in this clause (g), the order or decree remains unstayed and in effect for thirty (30) calendar days;

then, and in each and every such case (other than an Event of Default specified in Sections 6.01(e), 6.01(f) and 6.01(g) with respect to the Issuer), unless the principal of all of the Notes shall have already become due and payable, either the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by notice in writing to the Issuer (and to the Trustee if given by the Holders), may declare the principal amount of and premium, if any, and interest accrued and unpaid on all the Notes to be immediately due and payable, and upon any such declaration the same shall be immediately due and payable.

If an Event of Default specified in Section 6.01(e), 6.01(f) or 6.01(g) occurs with respect to Issuer, the principal amount of and premium, if any, and interest accrued and unpaid on all the Notes shall be immediately and automatically due and payable without necessity of further action.

At any time after the principal amount of and premium, if any, and interest on the Notes shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, Holders of a majority in aggregate principal amount of the Notes then outstanding on behalf of the Holders of all of the Notes then outstanding, by written notice to the Issuer and to the Trustee, may waive all Defaults or Events of Default and rescind and annul such declaration and its consequences, subject in all respects to Section 6.07 hereof, if: (a) all Events of Default, other than the non-payment of the principal amount and any accrued and unpaid interest that have become due solely because of such acceleration, have been cured or waived; and (b) the Issuer or the Guarantors have deposited with the Trustee all required payments of the principal of and interest on, the Notes, plus the compensation and reimbursement for the Trustee's reasonable expenses, disbursements and advances pursuant to Section 7.06. No such rescission and annulment shall extend to or shall affect any subsequent default or Event of Default, or shall impair any right consequent thereon. The Issuer shall notify the Trustee in writing, promptly upon becoming aware thereof, of any Event of Default, as provided in Section 4.08.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such waiver or rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Issuer, the Holders, and the Trustee shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Issuer, the Holders, and the Trustee shall continue as though no such proceeding had been taken.

Section 6.02 Payments of Notes on Default; Suit Therefor.

The Issuer covenants that in the case of an Event of Default pursuant to Section 6.01(a) or 6.01(b), upon demand of the Trustee, the Issuer will pay to the Trustee, for the benefit of the Holders, (i) the whole amount that then shall be due and payable on all such Notes for principal and premium, if any, or interest, as the case may be, with interest upon the overdue principal and premium, if any,

and (to the extent that payment of such interest is enforceable under applicable law) upon the overdue installments of accrued and unpaid interest at the rate borne by the Notes, plus 1%, from the required payment date and, (ii) in addition thereto, any amounts due the Trustee under Section 7.06. Until such demand by the Trustee, the Issuer may pay the principal of and premium, if any, and interest on the Notes to the registered Holders, whether or not the Notes are overdue.

In case the Issuer shall fail forthwith to pay such amounts upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any actions or proceedings at law or in equity for the collection of the sums so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Issuer or any other obligor on the Notes and collect in the manner provided by law out of the property of the Issuer or any other obligor on the Notes wherever situated the monies adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Issuer or any other obligor on the Notes under any Bankruptcy Law, or any other applicable law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or such other obligor, the property of the Issuer or such other obligor, or in the case of any other judicial proceedings relative to the Issuer or such other obligor upon the Notes, or to the creditors or property of the Issuer or such other obligor, the Trustee, irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 6.02, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal, premium, if any, accrued and unpaid interest in respect of the Notes, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and of the Holders allowed in such judicial proceedings relative to the Issuer or any other obligor on the Notes, its or their creditors, or its or their property, and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute the same after the deduction of any amounts due the Trustee under Section 7.06, and to take any other action with respect to such claims, including participating as a member of any official committee of creditors, as it reasonably deems necessary or advisable, unless prohibited by law or applicable regulations, and any receiver, assignee or trustee in bankruptcy or reorganization, liquidator, custodian or similar official is hereby authorized by each of the Holders to make such payments to the Trustee, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for reasonable compensation, expenses, advances and disbursements, including counsel fees and expenses incurred by it up to the date of such distribution. To the extent that such payment of reasonable compensation, expenses, advances and disbursements out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, monies, securities and other property which the Holders may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders.

In any proceedings brought by the Trustee (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders, and it shall not be necessary to make any Holders parties to any such proceedings.

Section 6.03 Application of Monies Collected by Trustee.

Any monies collected by the Trustee pursuant to this Article 6, shall be applied, in the following order, at the date or dates fixed by the Trustee for the distribution of such monies, upon presentation of the several Notes, and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

FIRST: To the payment of all amounts due the Trustee and its agents (and including the Agents) under Section 7.06;

SECOND: In case the principal of the outstanding Notes shall not have become due and be unpaid, to the payment of accrued and unpaid interest, if any, on the Notes in default in the order of the maturity of the installments of such interest, with interest (to the extent that such interest has been collected by the Trustee) as provided in Section 6.02 upon the overdue installments of interest at the annual rate of 1% above then applicable interest rate, such payments to be made ratably to the Persons entitled thereto;

THIRD: In case the principal of the outstanding Notes shall have become due, by declaration or otherwise, and be unpaid to the payment of the whole amount then owing and unpaid upon the Notes for principal and premium, if any, and interest, with interest on the overdue principal and premium, if any, and (to the extent that such interest has been collected by the Trustee) upon overdue installments of accrued and unpaid interest, as provided in Section 6.02, and in case such monies shall be insufficient to pay in full the whole amounts so due and unpaid upon the Notes, then to the payment of such principal and premium, if any, and interest without preference or priority of principal and premium, if any, over interest, or of interest over principal and premium, if any, or of any installment of interest over any other installment of interest, or of any Note over any other Note, ratably to the aggregate of such principal and premium, if any, and accrued and unpaid interest; and

FOURTH: To the payment of the remainder, if any, to the Issuer or any other Person lawfully entitled thereto.

Section 6.04 Proceedings by Holders.

No Holder of any Note shall have any right by virtue of or by reference to any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver, trustee, liquidator, custodian or other similar official, or for any other remedy hereunder, except in the case of a default in the payment of principal, premium, if any, or interest on the Notes, unless (a) such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof, as hereinbefore provided, (b) the Holders of at least 25% in aggregate principal amount of the Notes then outstanding shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such indemnity and/or security (including by way of prefunding) reasonably satisfactory to it as it may require against the costs, liabilities or expenses to be incurred therein or thereby, (c) the Trustee for sixty (60) calendar days after its receipt of such notice, request and offer of indemnity and/or security (including by way of prefunding), shall have neglected or refused to institute any such action, suit or proceeding and (d) no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 6.07; it being understood and intended, and being expressly covenanted by the taker and Holder of every Note with every other taker and Holder and the Trustee, that no one or more Holders shall have any right in any manner whatever by virtue of or by reference to any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder, or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders (except as otherwise provided herein). For the protection and enforcement of this Section 6.04, each and every Holder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture and any provision of any Note, the right of any Holder to receive payment of the principal of (including the Redemption Price pursuant to Article 3) and premium, if any, and accrued interest on such Note, on or after the respective due dates expressed in such Note or in the event of redemption, or to institute suit for the enforcement of any such payment on or after such respective dates against the Issuer shall not be impaired or affected without the consent of such Holder.

Section 6.05 Proceedings by Trustee.

In case of an Event of Default, the Trustee may, in its discretion, proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as are necessary to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 6.06 Remedies Cumulative and Continuing.

All powers and remedies given by this Article 6 to the Trustee or to the Holders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder to exercise any right or power accruing upon any default or Event of Default occurring and continuing as aforesaid shall impair any such right or power, or shall be construed to be a waiver of any such default or any acquiescence therein, and, subject to the provisions of Section 6.04, every power and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Holders.

Section 6.07 Direction of Proceedings and Waiver of Defaults by Majority of Holders.

The Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; *provided* that (a) such direction shall not be in conflict with any rule of law or with this Indenture, (b) the Trustee may take any other action which is not inconsistent with such direction, (c) the Trustee may decline to take any action that would benefit some Holders to the detriment of other Holders and (d) the Trustee may decline to take any action that would involve the Trustee in personal liability.

The Holders of a majority in aggregate principal amount of the Notes at the time outstanding may, on behalf of the Holders of all of the Notes, waive any past default or Event of Default hereunder and its consequences except (i) a default in the payment of the principal of (including the Redemption Price upon redemption pursuant to Article 3), premium, if any, or interest on the Notes, (ii) a default in the payment of the Redemption Price on the Redemption Date pursuant to Article 3, or (iii) a default in respect of a covenant or provisions hereof which under Article 9 cannot be modified or amended without the consent of the Holders of all Notes then outstanding or each Note affected thereby.

Upon any such waiver, the Issuer, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon. Whenever any default or Event of Default hereunder shall have been waived as permitted by this Section 6.07, said default or

Event of Default shall for all purposes of the Notes and this Indenture be deemed to have been cured and to be not continuing; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

Section 6.08 Notice of Defaults.

The Trustee shall, within ninety (90) calendar days after the Trustee has been notified in writing of the occurrence of a default, mail to all Holders (or send by electronic transmission), as the names and addresses of such Holders appear upon the Register, notice of all defaults notified to the Trustee, unless such defaults shall have been cured or waived before the giving of such notice; *provided* that except in the case of default in the payment of the principal of (including the Redemption Price upon redemption pursuant to Article 3), or interest on any of the Notes, the Trustee shall be protected in withholding such notice if and so long as a trust committee of Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Holders.

Section 6.09 Undertaking to Pay Costs.

All parties to this Indenture agree, and each Holder by its acceptance thereof shall be deemed to have agreed, that any court may, in its discretion, require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; *provided* that the provisions of this Section 6.09 (to the extent permitted by law) shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than ten percent in principal amount of the Notes at the time outstanding determined in accordance with Section 8.04, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (including the Redemption Price upon redemption pursuant to Article 3), or interest on any Note on or after the due date expressed in such Note.

ARTICLE 7
THE TRUSTEE

Section 7.01 Duties and Responsibilities of Trustee.

The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of its own affairs.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(a) prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default which may have occurred:

(i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith and willful misconduct on the part of the Trustee, the Trustee may conclusively rely as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture;

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless the Trustee was negligent in ascertaining the pertinent facts;

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the written direction of the Holders of not less than a majority in principal amount of the Notes at the time outstanding determined as provided in Section 8.04 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(d) whether or not therein provided, every provision of this Indenture relating to the conduct or affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Section;

(e) the Trustee shall not be liable in respect of any payment (as to the correctness of amount, entitlement to receive or any other matters relating to payment) or notice effected by the Issuer or any Paying Agent (other than the Trustee) or any records maintained by any co-registrar (other than the Trustee) with respect to the Notes;

(f) if any party fails to deliver a notice relating to an event the fact of which, pursuant to this Indenture, requires notice to be sent to the Trustee, the Trustee may conclusively rely on its failure to receive such notice as reason to act as if no such event occurred unless the Trustee has otherwise received written notice thereof; and

(g) the Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless the Trustee shall have been notified in writing of such Event of Default by the Issuer or a Holder.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Section 7.02 Reliance on Documents, Opinions, etc.

Except as otherwise provided in Section 7.01 hereof:

(a) the Trustee may conclusively rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, Note, coupon or other paper or document (whether in its original or facsimile form) believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Issuer mentioned herein shall be sufficiently evidenced by an Officers' Certificate (unless other evidence in respect thereof be herein specifically prescribed); and any resolution of the Board of Directors may be evidenced to the Trustee by a copy thereof certified by the Secretary or an Assistant Secretary of the General Partner. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance upon such evidence;

(c) the Trustee may consult with counsel or other professional advisors of its own selection and any advice or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance on and in accordance with such advice or Opinion of Counsel;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby;

(e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed by it with due care hereunder;

(g) the Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(h) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent (including the Agents), custodian and other Person employed to act hereunder;

(i) the Trustee may request that the Issuer deliver an Officers' Certificate setting forth the names of individuals and/or titles of Officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded; and

(j) any permissive right or authority granted to the Trustee shall not be construed as a mandatory duty.

Section 7.03 No Responsibility for Recitals, etc.

The recitals contained herein and in the Notes (except in the Trustee's certificate of authentication) shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes. The Trustee shall not be accountable for the use or application by the Issuer of any Notes or the proceeds of any Notes authenticated and delivered by the Trustee in conformity with the provisions of this Indenture.

Section 7.04 Trustee, Paying Agents or Registrar May Own Notes.

The Trustee, any Paying Agent or Registrar, in its individual or any other capacity, may become the owner or pledgee of Notes with the same rights it would have if it were not Trustee, Paying Agent, or Registrar.

Section 7.05 Monies to Be Held in Trust.

Subject to the provisions of Section 11.02, all monies received by the Trustee or Agents shall, until used or applied as herein provided, be held in trust for the purposes for which they were received. Money held by the Trustee or Agents in trust hereunder need not be segregated from other funds except to the extent required by law. Except as otherwise provided herein, the Trustee and the Agents shall be under no liability for interest on any money received by it hereunder except as may be agreed in writing from time to time by the Issuer and the Trustee.

Section 7.06 Compensation and Expenses of Trustee and the Agents.

The Issuer covenants and agrees to pay to the Trustee and the Agents from time to time, and the Trustee and the Agents shall be entitled to, such compensation for all services rendered by it hereunder in any capacity (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as mutually agreed to from time to time in writing between the Issuer and the Trustee or Agents, and the Issuer will pay or reimburse the Trustee and Agents upon their request for all reasonable expenses, disbursements and advances reasonably incurred or made by the Trustee or Agents in accordance with any of the provisions of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its counsel and of all Persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence, willful misconduct, or bad faith. The Trustee and Agents will have no obligation to act if they determine in good faith that they will incur costs for which they will not be reimbursed. The Issuer also covenants to indemnify the Trustee and Agents, any predecessor Trustee and Agents (or any officer, director or employee of the Trustee and Agents), in any capacity under this Indenture and any authenticating agent for, and to hold them harmless against, any and all loss, liability, damage, claim or expense including taxes (other than taxes based on the income of the Trustee or Agents) incurred without negligence, willful misconduct or bad faith on the part of the Trustee or Agents or such officers, directors or employees, as the case may be, and arising out of or in connection with the acceptance or administration of this trust or in any other capacity hereunder, including the costs and expenses of defending themselves against any claim (whether asserted by the Issuer, any Holder or any other Person) of liability in the premises. The obligations of the Issuer under this Section 7.06 to compensate or indemnify the Trustee and the Agents and to pay or reimburse the Trustee and the Agents for their reasonable expenses, disbursements and advances shall be secured by a lien prior to that of the Notes and the Issuer upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the Holders of particular Notes. The obligation of the Issuer under this Section shall survive the satisfaction and discharge of this Indenture and shall continue for the benefit of the Trustee or any Agent notwithstanding its resignation or retirement. No Agent or Trustee will be liable for any consequential or indirect loss of any kind.

When the Trustee and its agents and any authenticating agent incur expenses or render services after an Event of Default specified in Section 6.01(e), 6.01(f) or 6.01(g) with respect to the Issuer occurs, the expenses and the compensation for the services are intended to constitute reasonable expenses of administration under any bankruptcy, insolvency or similar laws.

Section 7.07 Officers' Certificate as Evidence.

Except as otherwise provided in Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or

established prior to taking or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence, bad faith or willful misconduct on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate delivered to the Trustee.

Section 7.08 Conflicting Interests of Trustee.

If the Trustee has or shall acquire a conflicting interest, the Trustee shall either eliminate such interest within 90 days or resign, to the extent and in the manner provided by, and subject to the provisions of, this Indenture.

Section 7.09 Eligibility of Trustee.

There will at all times be a Trustee hereunder that is a corporation organized and doing business within the European Union that is authorized to exercise corporate trustee power and that is subject to supervision or examination by state or governmental or other regulatory authorities.

Section 7.10 Resignation or Removal of Trustee and Agents.

(a) The Trustee and Agents may at any time resign by giving written notice of such resignation to the Issuer and to the Holders. Upon receiving such notice of resignation, the Issuer shall promptly appoint a successor trustee or agent by written instrument, in duplicate, executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee or Agent and one copy to the successor trustee or agent. If no successor trustee shall have been so appointed and have accepted appointment sixty (60) calendar days after the mailing of such notice of resignation to the Holders, the resigning Trustee or Agent may, upon ten (10) Business Days' notice to the Issuer and the Holders, appoint a successor identified in such notice or may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor trustee, or, if any Holder who has been a bona fide holder of a Note or Notes for at least six (6) months may, subject to the provisions of Section 6.09, on behalf of itself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee or agent.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall fail to comply with Section 7.08 after written request therefor by the Issuer or by any Holder who has been a bona fide holder of a Note or Notes for at least six (6) months; or

(ii) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.09 and shall fail to resign after written request therefor by the Issuer or by any such Holder; or

(iii) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, the Issuer may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors, one (1) copy of which instrument shall be delivered to the Trustee so removed and one (1) copy to the successor trustee, or, subject to the provisions of Section 6.09, any Holder who has been a bona fide holder of a Note or Notes for at least six (6) months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee; *provided* that if no successor Trustee shall have been appointed and have accepted

appointment sixty (60) calendar days after either the Issuer or the Holders has removed the Trustee, or the Trustee resigns, the Trustee so removed may petition, at the expense of the Issuer, any court of competent jurisdiction for an appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.10 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 7.11.

(d) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuer's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

Section 7.11 Acceptance by Successor Trustee.

Any successor trustee appointed as provided in Section 7.10 shall execute, acknowledge and deliver to the Issuer and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Issuer or of the successor trustee, the trustee ceasing to act shall, upon payment of any amount then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Issuer shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a lien upon all property and funds held or collected by such trustee as such, except for funds held in trust for the benefit of Holders of particular Notes, to secure any amounts then due it pursuant to the provisions of Section 7.06.

No successor trustee shall accept appointment as provided in this Section 7.11 unless, at the time of such acceptance, such successor trustee shall be qualified under the provisions of Section 7.08 and be eligible under the provisions of Section 7.09.

Upon acceptance of appointment by a successor trustee as provided in this Section 7.11, the Issuer (or the successor trustee, at the written direction of the Issuer) shall mail or cause to be mailed (or sent by electronic transmission) notice of the succession of the former trustee hereunder to the Holders at their addresses as they shall appear on the Register. If the Issuer fails to send such notice within ten (10) calendar days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be sent at the expense of the Issuer.

Section 7.12 Succession by Merger.

Any corporation into which the Trustee may be merged or exchanged or with which it may be consolidated, or any corporation resulting from any merger, exchange or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee (including any trust created by this Indenture), shall be the successor to the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, *provided* that in the case of any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, such corporation shall be qualified under the provisions of Section 7.08 and eligible under the provisions of Section 7.09.

In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the

Trustee may adopt the certificate of authentication of any predecessor trustee or authenticating agent appointed by such predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or any authenticating agent appointed by such successor trustee may authenticate such Notes in the name of the successor trustee; and in all such cases such certificates shall have the full force that is provided in the Notes or in this Indenture; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, exchange or consolidation.

Section 7.13 [Reserved]

ARTICLE 8
THE HOLDERS

Section 8.01 Action by Holders.

Whenever in this Indenture it is provided that the Holders of a specified percentage in aggregate principal amount of the Notes may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action, the Holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by Holders in person or by agent or proxy appointed in writing, or (b) by the record of the Holders of Notes voting in favor thereof at any meeting of Holders, or (c) by a combination of such instrument or instruments and any such record of such a meeting of Holders. Whenever the Issuer or the Trustee solicits the taking of any action by the Holders, the Issuer or the Trustee may fix in advance of such solicitation a date as the Record Date for determining Holders entitled to take such action. The Record Date, if any, shall be not more than fifteen (15) calendar days prior to the date of commencement of solicitation of such action.

Section 8.02 Proof of Execution by Holders.

Subject to the provisions of Sections 7.01 and 7.02, proof of the execution of any instrument by a Holder or its agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee. The holding of Notes shall be proved by the registry of such Notes or by a certificate of the Registrar.

Section 8.03 Absolute Owners.

The Issuer, the Trustee, any Paying Agent and any Registrar may deem the Person in whose name such Note shall be registered upon the Register to be, and may treat it as, the absolute owner of such Note (whether or not such Note shall be overdue and notwithstanding any notation of ownership or other writing thereon made by any Person other than the Issuer or any Registrar) for the purpose of receiving payment of or on account of the principal of (including the Redemption Price upon redemption pursuant to Article 3), premium, if any, and interest on such Note, and for all other purposes; and neither the Issuer nor the Trustee nor any Paying Agent nor any Registrar shall be affected by any notice to the contrary. All such payments so made to any Holder for the time being, or upon its order, shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for monies payable upon any such Note.

Section 8.04 Issuer-owned Notes Disregarded.

In determining whether the Holders of the requisite aggregate principal amount of Notes have concurred in any direction, consent, waiver or other action under this Indenture, Notes which are

owned by the Issuer or any other obligor on the Notes or any Affiliate of the Issuer or any other obligor on the Notes shall be disregarded and deemed not to be outstanding for the purpose of any such determination; *provided* that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent, waiver or other action, only Notes which a Responsible Officer knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith may be regarded as outstanding for the purposes of this Section 8.04 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Notes and that the pledgee is not the Issuer, any other obligor on the Notes or any Affiliate of the Issuer or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request of the Trustee, the Issuer shall furnish to the Trustee promptly an Officers' Certificate listing and identifying all Notes, if any, known by the Issuer to be owned or held by or for the account of any of the above described Persons, and, subject to Section 7.01, the Trustee shall be entitled to accept such Officers' Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

Section 8.05 Revocation of Consents; Future Holders Bound.

At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the Holders of the percentage in aggregate principal amount of the Notes specified in this Indenture in connection with such action, any Holder of a Note which is shown by the evidence to be included in the Notes the Holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Note. Except as aforesaid, any such action taken by the Holder of any Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note and of any Notes issued in exchange or substitution therefor, irrespective of whether any notation in regard thereto is made upon such Note or any Note issued in exchange or substitution therefor.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders of Notes.

The Issuer, the Guarantors and the Trustee may, from time to time, and at any time enter into an indenture or indentures supplemental without the consent of the Holders of the Notes hereto for one or more of the following purposes:

- (a) to cure any ambiguity, defect or inconsistency in this Indenture; provided that this action shall not adversely affect the interests of Holders of the Notes in any material respect;
- (b) to evidence a successor to the Issuer as obligor or the Company or the General Partner as Guarantors under this Indenture;
- (c) to make any change that does not adversely affect the interests of the Holders of any Notes then outstanding;
- (d) to provide for the issuance of additional Notes in accordance with the limitations set forth in the indenture;
- (e) to provide for the acceptance of appointment by a successor trustee or facilitate the administration of the trusts under the indenture by more than one trustee;

(f) reflect the release of the Company or the General Partner, as Guarantors, in accordance with the provisions of this Indenture;

(g) to secure the Notes;

(h) to add Guarantors with respect to the Notes; or

(i) to conform the text of this Indenture, any Note Guarantee or the Notes to any provision of the description thereof set forth in the Prospectus to the extent that such provision in the Prospectus was intended to be a verbatim recitation of a provision in this Indenture, such Note Guarantee or the Notes (as certified in an Officers' Certificate).

Upon the written request of the Issuer, accompanied by a copy of the resolutions of the Board of Directors certified by the General Partner's Secretary or Assistant Secretary authorizing the execution of any supplemental indenture, the Trustee is hereby authorized to join with the Issuer and the Guarantors in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations that may be therein contained and to accept the conveyance, transfer and assignment of any property thereunder, but the Trustee shall not be obligated to, but may in its discretion, enter into any supplemental indenture that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section 9.01 may be executed by the Issuer, the Guarantors and the Trustee without the consent of the Holders of any of the Notes at the time outstanding, notwithstanding any of the provisions of Section 9.02.

Section 9.02 With Consent of Holders of Notes.

With the consent (evidenced as provided in Article 8) of the Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding, the Issuer, the Guarantors and the Trustee may, from time to time and at any time, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or any supplemental indenture or modifying in any manner the rights of the Holders of the Notes; *provided* that no such supplemental indenture shall, without the consent of the Holder of each Note so affected:

(a) reduce the amount of the Notes whose Holders must consent to an amendment or waiver;

(b) reduce the rate of or extend the time for payment of interest (including default interest) on the Notes;

(c) reduce the principal of or premium on or change the fixed maturity of the Notes;

(d) waive a default in the payment of the principal of or premium or interest on the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(e) make the principal of or premium or interest on the Notes payable in currency other than that stated in the Notes;

(f) make any change to certain provisions of this Indenture relating to, among other things, the right of Holders of the Notes to receive payment of the principal of or premium or interest on the Notes and to institute suit for the enforcement of any such payment and to waivers or amendments;

(g) waive a redemption payment with respect to the Notes; or

(h) release the Company or General Partnership as Guarantors of the Notes other than as provided in this Indenture or modify the Note Guarantees in any manner adverse to the Holders of the Notes.

Upon the written request of the Issuer, accompanied by a copy of the resolutions of the Board of Directors certified by the General Partner's Secretary or Assistant Secretary authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of Holders as aforesaid, the Trustee shall join with the Issuer and the Guarantors in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Section 9.03 Effect of Supplemental Indenture.

Upon the execution of any supplemental indenture pursuant to the provisions of this Article 9, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitation of rights, obligations, duties and immunities under this Indenture of the Trustee, the Issuer and the Holders of Notes shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.04 Notation on Notes.

Notes authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 9 may bear a notation in form satisfactory to the Trustee as to any matter provided for in such supplemental indenture. If the Issuer or the Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Issuer, to any modification of this Indenture contained in any such supplemental indenture may, at the Issuer's expense, be prepared and executed by the Issuer, authenticated by the Trustee (or an authenticating agent duly appointed by the Trustee pursuant to Section 16.11) and delivered in exchange for the Notes then outstanding, upon surrender of such Notes then outstanding.

Section 9.05 Evidence of Compliance of Supplemental Indenture to Be Furnished to Trustee.

Prior to entering into any supplemental indenture pursuant to this Article 9, the Trustee shall be provided with an Officers' Certificate and an Opinion of Counsel as conclusive evidence that any supplemental indenture executed pursuant hereto complies with the requirements of this Article 9 and is otherwise authorized or permitted by this Indenture.

ARTICLE 10

Nothing contained in this Indenture or in the Notes shall prevent any consolidation or merger of the Issuer with or into any other Person or Persons (whether or not affiliated with the Issuer), or

successive consolidations or mergers in which either the Issuer will be the continuing entity or the Issuer or its successor or successors shall be a party or parties, or shall prevent any sale, conveyance, transfer or lease of all or substantially all of the property of the Issuer, to any other Person (whether or not affiliated with the Issuer); *provided, however*, that the following conditions are met:

Except in the case of a substantially concurrent consolidation, merger, sale, conveyance, transfer or lease of all or substantially all of the property of the Guarantors in compliance with Section 10.03, no such consolidation, merger, sale, conveyance, transfer or lease shall be permitted by this Section 10.01 unless prior thereto the Guarantors shall have delivered to the Trustee a Guarantor's Officers' Certificate and an Opinion of Counsel, each stating that the Guarantors' obligations hereunder shall remain in full force and effect thereafter.

Section 10.02 Issuer Successor to Be Substituted.

Upon any consolidation by the Issuer with or merger of the Issuer into any other Person or any sale, conveyance, transfer or lease of all or substantially all of the properties and assets of the Issuer to any Person in accordance with Section 10.01 hereof, the successor Person formed by such consolidation or into which the Issuer is merged or to which such sale, conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such successor Person had been named as the Issuer herein, and thereafter the predecessor Person shall be released from all obligations and covenants under this Indenture and the Issuer; *provided, however*, that the predecessor Issuer shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale of all or substantially all of the Issuer's assets in a transaction that is subject to, and that complies with the provisions of, Section 10.01 hereof.

In case of any such consolidation, merger, sale, conveyance, transfer or lease, such changes in phraseology and form (but not in substance) may be made in the Notes thereafter to be issued as may be appropriate.

Section 10.03 Guarantors May Consolidate on Certain Terms.

Nothing contained in this Indenture or in the Notes shall prevent any consolidation or merger of a Guarantor with or into any other Person or Persons (whether or not affiliated with such Guarantor), or successive consolidations or mergers in which either a Guarantor will be the continuing entity or a Guarantor or its successor or successors shall be a party or parties, or shall prevent any sale, conveyance, transfer or lease of all or substantially all of the property of a Guarantor, to any other Person (whether or not affiliated with such Guarantor); *provided, however*, that the following conditions are met:

(a) a Guarantor shall be the continuing entity, or the successor entity (if other than such Guarantor) formed by or resulting from any consolidation or merger or which shall have received the transfer of assets shall expressly assume the obligations of such Guarantor under the Note Guarantee and the due and punctual performance and observance of all of the covenants and conditions in this Indenture;

(b) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(c) either the relevant Guarantor or the successor Person, in either case, shall have delivered to the Trustee an Officers' Certificate of such Guarantor and an Opinion of Counsel, each stating that such consolidation, sale, merger, conveyance, transfer or lease and such supplemental indenture comply with this Section 10.03 and that all conditions precedent herein provided for relating to such transaction have been complied with.

Section 10.04 Guarantor Successor to Be Substituted.

Upon any consolidation or merger or any sale, conveyance, transfer or lease of all or substantially all of the properties and assets of a Guarantor to any Person in accordance with Section 10.03, the successor Person formed by such consolidation or into which such Guarantor is merged or to which such sale, conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, such Guarantor under this Indenture with the same effect as if such successor Person had been named as the relevant Guarantor herein, and thereafter, the predecessor Person shall be released from all obligations and covenants under this Indenture; *provided, however*, that the predecessor Guarantor shall not be relieved from the obligation to guarantee the payment of the principal of and interest on the Notes except in the case of a sale of all or substantially all of such Guarantor's assets in a transaction that is subject to, and that complies with the provisions of, Section 10.03 hereof.

In case of any such consolidation, merger, sale, conveyance, transfer or lease, such changes in phraseology and form (but not in substance) may be made in the Notes thereafter to be issued as may be appropriate.

ARTICLE 11
SATISFACTION AND DISCHARGE OF INDENTURE

Section 11.01 Discharge of Indenture.

This Indenture shall cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Notes herein expressly provided for and except as further provided below), and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when (a) either: (1) all Notes theretofore authenticated and delivered (other than (i) Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 11.04 and (ii) Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to the Issuer as provided in Section 11.04) have been delivered to the Trustee for cancellation; or (2) all such Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable, whether at the Maturity Date or otherwise, or (ii) are to be called for redemption under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer, in the case of clause (1) or (2) above, has irrevocably deposited or caused to be irrevocably deposited with the Trustee (or such other entity designated by the Trustee for this purpose) in accordance with the terms of this Indenture) or a Paying Agent, as applicable), as trust funds in trust cash in an amount sufficient to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such

deposit (in the case of Notes which have become due and payable) or to the Maturity Date or Redemption Date, as the case may be; *provided, however*, that there shall not exist, on the date of such deposit, a Default or Event of Default; *provided, further*, that such deposit shall not result in a breach or violation of, or constitute a Default under, this Indenture or any other agreement or instrument to which the Issuer is a party or to which the Issuer is bound; (b) the Issuer has paid or caused to be paid all other sums payable hereunder by the Issuer; and (c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer to the Trustee under Section 7.06 shall survive and, if money shall have been deposited with the Trustee pursuant to subclause (2) of clause (a) of the first paragraph of this Section, the provisions of Sections 2.06, 2.07, 2.08 and this Article 11, shall survive until the Notes have been paid in full.

Section 11.02 Deposited Monies to Be Held in Trust by Trustee.

Subject to Section 11.04, all monies deposited with the Trustee (or such other entity designated by the Trustee for this purpose in accordance with the terms of this Indenture) pursuant to Section 7.05 shall be held in trust for the sole benefit of the Holders, and such monies shall be applied by the Trustee to the payment, either directly or through any Paying Agent (including the Issuer if acting as its own Paying Agent), to the Holders of the particular Notes for the payment or redemption of which such monies have been deposited with the Trustee, of all sums due and to become due thereon for principal, premium, if any, and interest. The Trustee is not responsible to anyone for interest on any deposited funds except as agreed in writing.

Section 11.03 Paying Agent to Repay Monies Held.

Subject to the provisions of Section 11.04, the Trustee or a Paying Agent shall hold in trust, for the benefit of the Holders, all money deposited with it pursuant to Section 11.01 and shall apply the deposited money in accordance with this Indenture and the Notes to the payment of the principal of (including the Redemption Price upon redemption pursuant to Article 3) and interest on the Notes.

Section 11.04 Return of Unclaimed Monies.

The Trustee and each Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal or interest that remains unclaimed for two (2) years after a right to such money has matured; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such payment, may, at the expense of the Issuer, either publish in a newspaper of general circulation in The City of New York, or cause to be mailed to each Holder entitled to such money, notice that such money remains unclaimed and that after a date specified therein, which shall be at least thirty (30) calendar days from the date of such mailing or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer. After payment to the Issuer, Holders entitled to money must look to the Issuer for payment as general creditors unless an applicable abandoned property law designates another person, and the Trustee and each Paying Agent shall be relieved of all liability with respect to such money.

Section 11.05 Reinstatement.

If the Trustee or the Paying Agent is unable to apply any money in accordance with Section 11.02 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 until such time as the Trustee or the Paying Agent is permitted to apply all such money in accordance

with Section 11.02; *provided* that if the Issuer makes any payment of principal of or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 12

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 12.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Issuer may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have either Section 12.02 or 12.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 12.

Section 12.02 Legal Defeasance and Discharge.

Upon the Issuer's exercise under Section 12.01 hereof of the option applicable to this Section 12.02, the Issuer and the Guarantors will, subject to the satisfaction of the conditions set forth in Section 12.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Note Guarantees on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes and Note Guarantees, which will thereafter be deemed to be "outstanding" only for the purposes of Section 12.05 hereof and the other Sections of this Indenture referred to in clauses (a) and (b) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on, such Notes when such payments are due from the trust referred to in Section 12.04 hereof;

(b) the Issuer's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(c) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuer's and the Guarantors' obligations in connection therewith; and

(d) this Article 12.

Subject to compliance with this Article 12, the Issuer may exercise its option under this Section 12.02 notwithstanding the prior exercise of its option under Section 12.03 hereof.

Section 12.03 Covenant Defeasance.

Upon the Issuer's exercise under Section 12.01 hereof of the option applicable to this Section 12.03, the Issuer and the Guarantors will, subject to the satisfaction of the conditions set forth in Section 12.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.10, 4.11, 4.12 and 4.13 with respect to the outstanding Notes on and after the date the conditions set forth in Section 12.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this

purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Issuer and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Issuer's exercise under Section 12.01 hereof of the option applicable to this Section 12.03, subject to the satisfaction of the conditions set forth in Section 12.04 hereof, Sections 6.01(c) and 6.01(d) hereof will not constitute Events of Default.

Section 12.04 Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 12.02 or 12.03 hereof:

(a) the Issuer must irrevocably deposit with the Trustee (or such other entity designated by the Trustee for this purpose in accordance with the terms of this Indenture), in trust, for the benefit of the Holders, cash in pounds sterling in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, premium if any, and interest on, the outstanding Notes on the stated date for payment thereof or on the applicable Redemption Date, as the case may be, and the Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular Redemption Date;

(b) in the case of an election under Section 12.02 hereof, the Issuer must deliver to the Trustee an Opinion of Counsel confirming that:

(i) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling; or

(ii) since the date of this Indenture, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of an election under Section 12.03 hereof, the Issuer must deliver to the Trustee an Opinion of Counsel confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other indebtedness being defeased, discharged or replaced), and the granting of liens to secure such borrowings);

(e) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other indebtedness being defeased, discharged or replaced) to which the Issuer or a Guarantor is a party or by which the Issuer or a Guarantor is bound;

(f) the Issuer must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders of Notes over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(g) the Issuer must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 12.05 Deposited Money to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 12.06 hereof, all money deposited with the Trustee (or such other entity designated by the Trustee for this purpose in accordance with the terms of this Indenture) (or other qualifying trustee, collectively for purposes of this Section 12.05, the "Trustee") pursuant to Section 12.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash deposited pursuant to Section 12.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 12 to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money held by it as provided in Section 12.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 12.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 12.06 Repayment to the Issuer.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on, any Note and remaining unclaimed for two (2) years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than thirty (30) days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 12.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any pounds sterling in accordance with Section 12.02 or 12.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 12.02 or 12.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 12.02 or 12.03 hereof, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium, if any, or interest on, any Note following the reinstatement of its obligations, the Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 13

Except as otherwise expressly provided in Article 15, no recourse for the payment of the principal of (including the Redemption Price upon redemption pursuant to Article 3) or, premium, if any, or interest, on any Note, or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Issuer in this Indenture or in any supplemental indenture or in any Note, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, partner, member, manager, employee, agent, officer, director or subsidiary, as such, past, present or future, of the Issuer, any of the Guarantors or any of their respective subsidiaries or of any successor thereto, either directly or through the Issuer, any of the Guarantors or any of their respective subsidiaries or any successor thereto, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issue of the Notes.

ARTICLE 14

Section 14.01 Purposes for Which Meetings May Be Called.

A meeting of Holders of Notes may be called at any time and from time to time pursuant to this Article 14 to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other act provided by this Indenture to be made, given or taken by Holders of Notes.

Section 14.02 Call, Notice and Place of Meetings.

(a) The Trustee may at any time call a meeting of Holders of Notes for any purpose specified in Section 14.01, to be held at such time and at such place in London, United Kingdom or The City of New York, New York as the Trustee shall determine. Notice of every meeting of Holders of Notes, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 16.03, not less than 21 nor more than 180 days prior to the date fixed for the meeting.

(b) In case at any time the Issuer, the Guarantors or the Holders of at least 10% in principal amount of the outstanding Notes shall have requested the Trustee to call a meeting of the Holders of Notes for any purpose specified in Section 14.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed notice of or made the first publication of the notice of such meeting within 21 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Issuer, the

Guarantors, if applicable, or the Holders of Notes in the amount above specified, as the case may be, may determine the time and the place in the City of New York, New York, or London, United Kingdom, for such meeting and may call such meeting for such purposes by giving notice thereof as provided in clause (a) of this Section.

Section 14.03 Persons Entitled to Vote at Meetings.

To be entitled to vote at any meeting of Holders of Notes, a Person shall be (a) a Holder of one or more outstanding Notes, or (b) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more outstanding Notes by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Notes shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel, any representatives of the Guarantors and their counsel and any representatives of the Issuer and its counsel.

Section 14.04 Quorum; Action.

The Persons entitled to vote a majority in principal amount of the outstanding Notes shall constitute a quorum for a meeting of Holders of Notes; *provided, however*, that if any action is to be taken at the meeting with respect to a consent or waiver which may be given by the Holders of not less than a specified percentage in principal amount of the outstanding Notes, the Persons holding or representing the specified percentage in principal amount of the outstanding Notes will constitute a quorum. In the absence of a quorum within thirty (30) minutes after the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Notes, be dissolved. In any other case the meeting may be adjourned for a period of not less than ten (10) days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than ten (10) days as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 14.02, except that such notice need be given only once not less than five (5) days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the outstanding Notes which shall constitute a quorum.

Except as limited by the proviso to Section 9.02, any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted only by the affirmative vote of the Holders of a majority in principal amount of the outstanding Notes; *provided, however*, that, except as limited by the proviso to Section 9.02, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action which this Indenture expressly provides may be made, given or taken by the Holders of a specified percentage, which is less than a majority, in principal amount of the outstanding Notes may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the outstanding Notes.

Any resolution passed or decision taken at any meeting of Holders of Notes duly held in accordance with this Section 14.04 shall be binding on all the Holders of Notes, whether or not such Holders were present or represented at the meeting.

Section 14.05 Determination of Voting Rights; Conduct and Adjournment of Meetings.

(a) Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Notes in regard to proof of the holding of Notes and of the appointment of proxies and in regard to the appointment and

duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Notes shall be proved in the manner specified in Section 8.03 and the appointment of any proxy shall be proved in the manner specified in Section 8.01.

(b) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer or by Holders of Notes as provided in Section 14.02(b), in which case the Issuer, the Guarantors or the Holders of Notes calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in principal amount of the outstanding Notes of such series represented at the meeting.

(c) At any meeting, each Holder of a Note or proxy shall be entitled to one (1) vote for each £100,000 principal amount of Notes held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Note challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote, except as a Holder of a Note or proxy.

(d) Any meeting of Holders of Notes duly called pursuant to Section 14.02 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in principal amount of the outstanding Notes represented at the meeting; and the meeting may be held as so adjourned without further notice.

Section 14.06 Counting Votes and Recording Action of Meetings.

The vote upon any resolution submitted to any meeting of Holders shall be by written ballots on which shall be subscribed the signatures of the Holders or of their representatives by proxy and the principal amounts and serial numbers of the outstanding Notes held or represented by them. The permanent chairman of the meeting shall appoint two (2) inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in triplicate of all votes cast at the meeting. A record, at least in triplicate, of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 14.02 and, if applicable, Section 14.04. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one (1) such copy shall be delivered to the Issuer and the Guarantors, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

ARTICLE 15
GUARANTEES

Section 15.01 Note Guarantee.

By its execution hereof, each Guarantor acknowledges and agrees that it receives substantial benefits from the Issuer and that such Guarantor is providing its Note Guarantee for good and valuable consideration, including, without limitation, such substantial benefits. Accordingly, subject to the provisions of this Article 15, each Guarantor hereby unconditionally guarantees to each Holder of a Note authenticated by the Registrar as authenticating agent and delivered by the Trustee and its successors and assigns that: (i) the principal of (including the Redemption Price upon redemption pursuant to Article 3), premium, if any, and interest on the Notes shall be duly and punctually paid in

full when due, whether at the Maturity Date, upon acceleration, upon redemption or otherwise, and interest on overdue principal, premium, if any, and (to the extent permitted by law) interest on any interest, if any, on the Notes and all other obligations of the Issuer to the Holders or the Trustee hereunder or under the Notes (including fees, expenses or other) shall be promptly paid in full or performed, all in accordance with the terms hereof; and (ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at the Maturity Date, by acceleration, call for redemption or otherwise, subject, however, in the case of clauses (i) and (ii) above, to the limitations set forth in Section 15.03 hereof (collectively, the “*Guarantee Obligations*”).

Subject to the provisions of this Article 15, each Guarantor hereby agrees that its Note Guarantee hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any thereof, the entry of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of such Guarantor. Each Guarantor hereby waives and relinquishes: (a) any right to require the Trustee, the Holders or the Issuer (each, a “*Benefited Party*”) to proceed against the Issuer or any other Person or to proceed against or exhaust any security held by a Benefited Party at any time or to pursue any other remedy in any secured party’s power before proceeding against such Guarantor; (b) any defense that may arise by reason of the incapacity, lack of authority, death or disability of any other Person or Persons or the failure of a Benefited Party to file or enforce a claim against the estate (in administration, bankruptcy or any other proceeding) of any other Person or Persons; (c) demand, protest and notice of any kind (except as expressly required by this Indenture), including but not limited to notice of the existence, creation or incurring of any new or additional indebtedness or obligation or of any action or non-action on the part of such Guarantor, the Issuer, any Benefited Party, any creditor of such Guarantor or the Issuer or on the part of any other Person whomsoever in connection with any obligations the performance of which are hereby guaranteed; (d) any defense based upon an election of remedies by a Benefited Party, including but not limited to an election to proceed against such Guarantor for reimbursement; (e) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (f) any defense arising because of a Benefited Party’s election, in any proceeding instituted under the Bankruptcy Law, of the application of Section 1111(b)(2) of the Bankruptcy Code; and (g) any defense based on any borrowing or grant of a security interest under Section 364 of the Bankruptcy Code. Each Guarantor hereby covenants that, except as otherwise provided therein, its Note Guarantee shall not be discharged except by payment in full of all Guarantee Obligations, including the principal, premium, if any, and interest on the Notes and all other costs provided for under this Indenture or as provided in Article 7.

If any Holder or the Trustee is required by any court or otherwise to return to either the Issuer or the Guarantors, or any trustee or similar official acting in relation to either the Issuer or the Guarantors, any amount paid by the Issuer or the Guarantors to the Trustee or such Holder, the Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guarantee Obligations hereby until payment in full of all such obligations guaranteed hereby. Each Guarantor agrees that, as between it, on the one hand, and the Holders of Notes and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes hereof, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantee Obligations, and (y) in the event of any acceleration of such obligations as provided in Article 6 hereof, such Guarantee Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purpose of the Note Guarantee.

Section 15.02 Execution and Delivery of Note Guarantee.

To evidence the Note Guarantee set forth in Section 15.01 hereof, each Guarantor agrees that a notation of the Guarantee substantially in the form included in Exhibit E hereto shall be endorsed on each Note authenticated and delivered by the Trustee and that this Indenture shall be executed on behalf of such Guarantor by an officer of such Guarantor.

Each Guarantor agrees that the Note Guarantee set forth in this Article 15 shall remain in full force and effect and apply to all the Notes notwithstanding any failure to endorse on each Note a notation of the Note Guarantee.

If an officer whose facsimile signature is on a Note or a notation of Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which the Note Guarantee is endorsed, the Note Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of each Guarantor.

Section 15.03 Limitation of a Guarantor's Liability; Certain Bankruptcy Events.

(a) Each Guarantor, and by its acceptance hereof each Holder, hereby confirms that it is the intention of all such parties that the Guarantee Obligations of such Guarantor pursuant to its Note Guarantee not constitute a fraudulent transfer or conveyance for purposes of any Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law. To effectuate the foregoing intention, the Holders and each Guarantor hereby irrevocably agree that the Guarantee Obligations of each Guarantor under this Article 15 shall be limited to the maximum amount as shall, after giving effect to all other contingent and fixed liabilities of such Guarantor, result in the Guarantee Obligations of such Guarantor under the Note Guarantee not constituting a fraudulent transfer or conveyance.

(b) Each Guarantor hereby covenants and agrees, to the fullest extent that it may do so under applicable law, that in the event of the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Issuer, such Guarantor shall not file (or join in any filing of), or otherwise seek to participate in the filing of, any motion or request seeking to stay or to prohibit (even temporarily) execution on the Note Guarantee and hereby waives and agrees not to take the benefit of any such stay of execution, whether under Section 362 or 105 of the Bankruptcy Law or otherwise.

Section 15.04 Application of Certain Terms and Provisions to a Guarantor.

(a) For purposes of any provision of this Indenture which provides for the delivery by the Guarantors of an Officers' Certificate and/or an Opinion of Counsel, the definitions of such terms in Section 1.01 hereof shall apply to such Guarantor as if references therein to the Issuer or the other Guarantor, as applicable, were references to such Guarantor.

(b) Any request, direction, order or demand which by any provision of this Indenture is to be made by a Guarantor shall be sufficient if evidenced as described in Section 16.05 hereof as if references therein to the Issuer were references to such Guarantor.

(c) Any notice or demand which by any provision of this Indenture is required or permitted to be given or served by the Trustee or by the Holders of Notes to or on a Guarantor may be given or served as described in Section 16.03 hereof as if references therein to the Issuer were references to such Guarantor.

(d) Upon any demand, request or application by a Guarantor to the Trustee to take any action under this Indenture, such Guarantor shall furnish to the Trustee such certificates and opinions as are required in Section 16.05 hereof as if all references therein to the Issuer were references to such Guarantor.

DIGITAL STOUT HOLDING, LLC
4.750% Guaranteed Notes due 2023

This Note is one of a duly authorized issue of Notes of the Issuer, designated as its 4.750% Guaranteed Notes due 2023 (herein called the “Notes”), issued under and pursuant to an Indenture dated as of April 1, 2014 (herein called the “Indenture”), among the Issuer, the Guarantors and Deutsche Trustee Company Limited, as trustee (herein called the “Trustee”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Issuer and the Holders of the Notes. Capitalized terms used but not otherwise defined in this Note shall have the respective meanings ascribed thereto in the Indenture.

If an Event of Default (other than an Event of Default specified in Section 6.01(e), 6.01(f) and 6.01(g) with respect to the Issuer) occurs and is continuing, the principal of, premium, if any and accrued and unpaid interest on all Notes may be declared to be due and payable by either the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, and, upon said declaration the same shall be immediately due and payable. If an Event of Default specified in Section 6.01(e), 6.01(f) or 6.01(g) of the Indenture occurs with respect to the Issuer, the principal of and premium, if any, and interest accrued and unpaid on all the Notes shall be immediately and automatically due and payable without necessity of further action.

The Indenture contains provisions permitting the Issuer and the Trustee, with the consent of the Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the Holders of the Notes, subject to exceptions set forth in Section 9.02 of the Indenture. Subject to the provisions of the Indenture, the Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding may, on behalf of the Holders of all of the Notes, waive any past default or Event of Default, subject to exceptions set forth in the Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall impair, as among the Issuer and the Holder of the Notes, the obligation of the Issuer, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the place, at the respective times, at the rate and in the coin or currency herein and in the Indenture prescribed.

The day count fraction applied to determine the amount of interest payable in respect of each note will be calculated on the following actual/actual (ICMA) basis:

(a) if the Accrual Period is equal to or shorter than the Determination Period during which it ends, the day count fraction will be the number of days in the Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) two; and

(b) if the Accrual Period is longer than one Determination Period, the day count fraction will be the sum of:

(i) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (1) the number of days in such Determination Period and (2) two; and

(ii) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) two.

Where:

“*Accrual Period*” means the relevant period for which interest is to be calculated (from and including the first such day to but excluding the last); and

“*Determination Period*” means the period from and including April 13th in any year to but excluding October 13th, and the period from and including October 13th in any year to but excluding April 13th.

The Notes are issuable in fully registered form, without coupons, in minimum denominations of £100,000 principal amount and any integral multiple of £1,000 in excess thereof. At the office or agency of the Issuer referred to on the face hereof, and in the manner and subject to the limitations provided in the Indenture, without payment of any service charge but with payment of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in connection with any registration or exchange of Notes, Notes may be exchanged for a like aggregate principal amount of Notes of any other authorized denominations.

The Issuer shall have the right to redeem the Notes under certain circumstances as set forth in Section 3.01, Section 3.02 and Section 3.03 of the Indenture.

The Notes are not subject to redemption through the operation of any sinking fund.

Except as expressly provided in Article 15 of the Indenture, no recourse for the payment of the principal of or any premium, if any, or interest, or if any, on this Note, or for any claim based hereon or otherwise in respect hereof, and no recourse under or upon any obligation, covenant or agreement of the Issuer in the Indenture or in any supplemental indenture or in any Note, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, partner, member, manager, employee, agent, officer, director or subsidiary, as such, past, present or future, of the Guarantors, the Issuer or any of the Issuer’s Subsidiaries or of any successor thereto, either directly or through the Guarantors, the Issuer or any of the Issuer’s subsidiaries or of any successor thereto, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as consideration for, the execution of the Indenture and the issue of this Note.

[FORM OF REVERSE SIDE OF NOTE]

DIGITAL STOUT HOLDING, LLC
4.750% Guaranteed Notes due 2023

This Note is one of a duly authorized issue of Notes of the Issuer, designated as its 4.750% Guaranteed Notes due 2023 (herein called the “Notes”), issued under and pursuant to an Indenture dated as of April 1, 2014 (herein called the “Indenture”), among the Issuer, the Guarantors and Deutsche Trustee Company Limited, as trustee (herein called the “Trustee”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Issuer and the Holders of the Notes. Capitalized terms used but not otherwise defined in this Note shall have the respective meanings ascribed thereto in the Indenture.

If an Event of Default (other than an Event of Default specified in Section 6.01(e), 6.01(f) and 6.01(g) with respect to the Issuer) occurs and is continuing, the principal of, premium, if any and accrued and unpaid interest on all Notes may be declared to be due and payable by either the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, and, upon said declaration the same shall be immediately due and payable. If an Event of Default specified in Section 6.01(e), 6.01(f) or 6.01(g) of the Indenture occurs with respect to the Issuer, the principal of and premium, if any, and interest accrued and unpaid on all the Notes shall be immediately and automatically due and payable without necessity of further action.

The Indenture contains provisions permitting the Issuer and the Trustee, with the consent of the Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the Holders of the Notes, subject to exceptions set forth in Section 9.02 of the Indenture. Subject to the provisions of the Indenture, the Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding may, on behalf of the Holders of all of the Notes, waive any past default or Event of Default, subject to exceptions set forth in the Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall impair, as among the Issuer and the Holder of the Notes, the obligation of the Issuer, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the place, at the respective times, at the rate and in the coin or currency herein and in the Indenture prescribed.

The day count fraction applied to determine the amount of interest payable in respect of each Note will be calculated on the following actual/actual (ICMA) basis:

(a) if the Accrual Period is equal to or shorter than the Determination Period during which it ends, the day count fraction will be the number of days in the Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) two; and

(b) if the Accrual Period is longer than one Determination Period, the day count fraction will be the sum of:

(i) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (1) the number of days in such Determination Period and (2) two; and

(ii) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) two.

Where:

“*Accrual Period*” means the relevant period for which interest is to be calculated (from and including the first such day to but excluding the last); and

“*Determination Period*” means the period from and including April 13th in any year to but excluding October 13th, and the period from and including October 13th in any year to but excluding April 13th.

The Notes are issuable in fully registered form, without coupons, in minimum denominations of £100,000 principal amount and any integral multiple of £1,000 in excess thereof. At the office or agency of the Issuer referred to on the face hereof, and in the manner and subject to the limitations provided in the Indenture, without payment of any service charge but with payment of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in connection with any registration or exchange of Notes, Notes may be exchanged for a like aggregate principal amount of Notes of any other authorized denominations.

This Temporary Global Note is exchangeable in whole or in part for a Permanent Global Note only (i) on or after the termination of the Restricted Period (as defined in the Indenture) and (ii) upon presentation of certificates (accompanied by an Opinion of Counsel, if applicable) required by Article 2 of the Indenture. Upon exchange of this Temporary Global Note for a Permanent Global Note, the Trustee shall cancel this Temporary Global Note.

The Issuer shall have the right to redeem the Notes under certain circumstances as set forth in Section 3.01, Section 3.02 and Section 3.03 of the Indenture.

The Notes are not subject to redemption through the operation of any sinking fund.

Except as expressly provided in Article 15 of the Indenture, no recourse for the payment of the principal of or any premium, if any, or interest, or if any, on this Note, or for any claim based hereon or otherwise in respect hereof, and no recourse under or upon any obligation, covenant or agreement of the Issuer in the Indenture or in any supplemental indenture or in any Note, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, partner, member, manager, employee, agent, officer, director or subsidiary, as such, past, present or future, of the Guarantors, the Issuer or any of the Issuer’s Subsidiaries or of any successor thereto, either directly or through the Guarantors, the Issuer or any of the Issuer’s subsidiaries or of any successor thereto, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as consideration for, the execution of the Indenture and the issue of this Note.
