As Representatives of the several Underwriters

Ladies and Gentlemen:

Realty Income Corporation, a Maryland corporation (the “Company”), confirms its agreement with the underwriters named in Schedule A hereto (the “Underwriters” which term shall also include any underwriter substituted as hereinafter provided in Section 10 hereof), for whom Citigroup Global Markets Inc. (“Citi”), Barclays Capital Inc. (“Barclays”), BNY Mellon Capital Markets, LLC (“BNY Mellon”), Goldman, Sachs & Co. (“Goldman”) and U.S. Bancorp Investments, Inc. (“US Bancorp”) are acting as representatives (Citi, Barclays, BNY Mellon, Goldman and US Bancorp, in such capacities, the “Representatives”), with respect to the sale by the Company and the purchase by the Underwriters, acting severally and not jointly, of

\$600,000,000 aggregate principal amount of the Company’s 3.000% Notes due 2027 (the “Securities”). The Securities are to be issued pursuant to an indenture dated as of October 28, 1998 (the “Indenture”) between the Company and The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “Trustee”) to The Bank of New York, the original trustee (the “Original Trustee”).

The Company understands that the Underwriters propose to make a public offering of the Securities as soon as the Representatives deem advisable after this Agreement has been executed and delivered.

The Company has filed with the Securities and Exchange Commission (the “Commission”) an automatic shelf registration statement on Form S-3 (No. 333-208652) (the “Current Registration Statement”) for the registration of shares of its common stock, par value \$0.01 per share (the “Common Stock”), shares of its preferred stock, par value \$0.01 per share (the “Preferred Stock”), its debt securities (including the Securities), depositary shares representing fractional interests in shares of Preferred Stock, and warrants to purchase its debt securities, Common Stock, Preferred Stock or depositary shares under the Securities Act of 1933, as amended (the “1933 Act”), including the related preliminary prospectus or prospectuses. Promptly after execution and delivery of this Agreement, the Company will prepare and file a final prospectus supplement and the Base Prospectus (as hereinafter defined) in accordance with the provisions of Rule 430B (“Rule 430B”) of the rules and regulations of the Commission under the 1933 Act (the “1933 Act Regulations”) and paragraph (b) of Rule 424 (“Rule 424(b)”) of the 1933 Act Regulations. Any information included in such final prospectus supplement or the Base Prospectus that was omitted from the Current Registration Statement at the time it became effective but that is deemed to be part of and included in the Current Registration Statement pursuant to paragraph (f) of Rule 430B under the 1933 Act Regulations is referred to as the “Rule 430B Information.” Each prospectus, together with the related prospectus supplement, relating to the Securities that omitted the Rule 430B Information or that was captioned “Subject to Completion” or “Preliminary” (or a similar caption) that was used after the date on which the Current Registration Statement first became effective and prior to the execution and delivery of this Agreement is herein called, together with the documents incorporated or deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act, a “preliminary prospectus” and all references herein to any “preliminary prospectus” shall be deemed to include the Statutory Prospectus (as hereinafter defined). The Current Registration Statement, at any given time, including the amendments thereto at such time, the exhibits and any schedules thereto at such time, if any, and documents incorporated and deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act at such time, and the documents and information (including, without limitation, any 430B Information) otherwise deemed to be a part thereof or included therein by the 1933 Act Regulations at such time, are hereinafter called, collectively, the “Registration Statement.” The prospectus dated December 21, 2015 (the “Base Prospectus”) and the final prospectus supplement relating to the offering of the Securities, including the documents incorporated and deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act, in the form first furnished (electronically or otherwise) to the Underwriters for use in connection with the offering of the Securities (whether to meet the requests of purchasers pursuant to Rule 173 under the 1933 Act Regulations or otherwise) or, if not furnished to the Underwriters, in the form first filed by the Company pursuant to Rule 424(b), are herein called, collectively, the “Prospectus.”

For purposes of this Agreement, all references to the Registration Statement, any preliminary prospectus, the Statutory Prospectus, the Prospectus or any Issuer Free Writing Prospectus (as hereinafter defined) or any amendment or supplement to any of the foregoing shall be deemed to include any copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system (“EDGAR”).

All references in this Agreement to financial statements and schedules and other information which is “described,” “disclosed,” “contained,” “included” or “stated” in the Registration Statement, any preliminary prospectus, the Statutory Prospectus or the Prospectus (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is

incorporated or deemed to be incorporated by reference in, or otherwise deemed by the 1933 Act Regulations (including, without limitation, Rule 430B(f) of the 1933 Act Regulations) to be a part of or included in, the Registration Statement, such preliminary prospectus, the Statutory Prospectus or the Prospectus, as the case may be; and all references in this Agreement to amendments or supplements to the Registration Statement, any preliminary prospectus, the Statutory Prospectus or the Prospectus shall be deemed to mean and include the filing of any document under the Securities Exchange Act of 1934, as amended (the “1934 Act”), which is incorporated or deemed to be incorporated by reference in the Registration Statement, such preliminary prospectus, the Statutory Prospectus or the Prospectus, as the case may be.

All references in this Agreement to properties or improvements “owned by” or “of” the Company or any of its subsidiaries shall be deemed to mean and include all properties and improvements which are leased by the Company or any of its subsidiaries, as lessee.

SECTION 1. Representations and Warranties.

(a) *Representations and Warranties by the Company.* The Company represents and warrants to each Underwriter as of the date hereof, as of the Applicable Time referred to in Section 1(a)(i) hereof, and as of the Closing Time referred to in Section 2(b) hereof, and agrees with each Underwriter, as follows:

(i) Compliance with Registration Requirements. (A) At the time that the Registration Statement was originally filed, (B) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the 1933 Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the 1934 Act or form of prospectus), (C) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) of the 1933 Act Regulations) made any offer relating to the Securities in reliance on the exemption of Rule 163 of the 1933 Act Regulations and (D) at the date hereof, the Company (x) was and is a “well-known seasoned issuer” as defined in Rule 405 of the 1933 Act Regulations (“Rule 405”) and (y) was not and is not an “ineligible issuer” as defined in Rule 405. The Registration Statement is an “automatic shelf registration statement,” as defined in Rule 405, and the Securities, since their registration on the Registration Statement, have been and remain eligible for registration by the Company on an “automatic shelf registration statement” as defined in Rule 405. The Company has not received from the Commission any notice pursuant to

Rule 401(g)(2) of the 1933 Act Regulations (“Rule 401(g)(2)”) objecting to the use of the automatic shelf registration statement form. At the earliest time after the original filing of the Registration Statement that the Company or another offering participant (with respect to the offering contemplated hereby) made a *bona fide* offer (within the meaning of Rule 164(h)(2) of the 1933 Act Regulations) of the Securities, the Company was not an “ineligible issuer,” as defined in Rule 405. The Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended (the “1939 Act”), and the Trustee has duly filed with the Commission a Statement of Eligibility on Form T-1 as an exhibit to the Registration Statement or pursuant to Section 305(b)(2) of the 1939 Act.

The Registration Statement became effective upon filing under Rule 462(e) of the 1933 Act Regulations (“Rule 462(e)”) on December 21, 2015, and any post-effective amendment thereto also became effective upon filing under Rule 462(e). No stop order suspending the effectiveness of the Registration Statement has been issued under the 1933 Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with.

Any offer that was a written communication relating to the Securities made by the Company or any person acting on its behalf (within the meaning, for this paragraph only, of Rule 163(c) of the 1933 Act Regulations) prior to the time that the Registration Statement was originally filed has been filed with the Commission in accordance with the exemption provided by Rule 163 of the 1933 Act Regulations (“Rule 163”) and otherwise complied with the requirements of Rule 163, including without limitation the legending requirement, to qualify such offer for the exemption from Section 5(c) of the 1933 Act provided by Rule 163.

At the respective times the Registration Statement originally became effective and any amendment thereto became effective, at the time the Company’s most recent Annual Report on Form 10-K was filed with the Commission, at each “new effective date” with respect to the Underwriters pursuant to Rule 430B(f)(2) of the 1933 Act Regulations, and at the Closing Time, the Registration Statement and any amendments and supplements thereto complied and will comply in all material respects with the applicable requirements of the 1933 Act, the 1933 Act Regulations, the 1939 Act, and the rules and regulations of the Commission under the 1939 Act (the “1939 Act Regulations”), and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and, at the date hereof and at the Closing Time, neither the Prospectus nor any amendments or supplements thereto contained or will contain any untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Each preliminary prospectus and Prospectus filed as part of the Registration Statement as originally filed or as part of any amendment thereto, or filed pursuant to Rule 424 under the 1933 Act, complied when so filed in all material respects with the 1933 Act and the 1933 Act Regulations and, if applicable, each preliminary prospectus

and the Prospectus delivered to the Underwriters for use in connection with this offering was identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T of the Commission.

As of the Applicable Time, neither (x) all Issuer General Use Free Writing Prospectuses (as defined below) issued at or prior to the Applicable Time (including, without limitation, the Pricing Term Sheet, as hereinafter defined) and the Statutory Prospectus, considered together

(collectively, the “General Disclosure Package”), nor (y) any individual Issuer Limited Use Free Writing Prospectus, when considered together with the General Disclosure Package, included or will include any untrue statement of a material fact or omitted or will omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

As used in this subsection and elsewhere in this Agreement:

“Applicable Time” means 4:15 P.M. (New York time) on October 4, 2016 or such other time as agreed by the Company and the Representatives.

“Issuer Free Writing Prospectus” means any “issuer free writing prospectus,” as defined in Rule 433 of the 1933 Act Regulations (“Rule 433”), relating to the Securities that (i) is required to be filed with the Commission by the Company, (ii) is a “road show that is a written communication” within the meaning of Rule 433(d)(8)(i), whether or not required to be filed with the Commission, or (iii) is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Securities or of the offering that does not reflect the final terms, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained in the Company’s records pursuant to Rule 433(g).

“Issuer General Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule D hereto.

“Issuer Limited Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is not an Issuer General Use Free Writing Prospectus.

“Statutory Prospectus” means the Base Prospectus and the preliminary prospectus dated October 4, 2016 relating to the Securities, including the documents incorporated and deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act, in the form first furnished (electronically or otherwise) to the Underwriters for use in connection with the offering of the Securities.

Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Securities or until any earlier date that the Company notified or notifies the Representatives as described in Section 3(f), did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement, the Statutory Prospectus or the Prospectus, including any document incorporated by reference therein that has not been superseded or modified.

The representations and warranties in this subsection 1(a)(i) shall not apply to statements in or omissions from the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus made in reliance upon and in conformity with written information furnished to the

Company by any Underwriter through the Representatives expressly for use therein.

(ii) Incorporated Documents. The documents incorporated or deemed to be incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus, at the time they were or hereafter are filed with the Commission, complied and will comply in all material respects with the requirements of the 1934 Act and the rules and regulations of the Commission thereunder (the “1934 Act Regulations”), and, when read together with the other information in the General Disclosure Package and the Prospectus, (a) at the time the Registration Statement first became effective, (b) at the time the Company’s most recent Annual Report on Form 10-K was filed with the Commission, (c) at each “new effective date” with respect to the Underwriters pursuant to Rule 430B(f)(2) of the 1933 Act Regulations, (d) at the date hereof, and (e) at the Closing Time, did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(iii) Independent Accountants. The accountants who certified the financial statements and supporting schedules included in the Registration Statement, the Statutory Prospectus and the Prospectus are independent public accountants as required by the 1933 Act and the 1933 Act Regulations.

(iv) Financial Statements. The consolidated financial statements of the Company included in the Registration Statement, the General Disclosure Package and the Prospectus, together with the related schedules and notes, present fairly the consolidated financial position of the Company and its subsidiaries at the dates indicated and the consolidated income, stockholders’ equity and cash flows of the Company and its subsidiaries for the periods specified; said consolidated financial statements have been prepared in conformity with generally accepted accounting principles (“GAAP”) applied on a consistent basis throughout the periods involved. The supporting schedules included in the Registration Statement present fairly in accordance with GAAP the information required to be stated therein. The historical and pro forma selected financial data, if any, and historical and pro forma summary financial information, if any, included in the General Disclosure Package and the Prospectus present fairly the information shown therein and have been compiled on a basis consistent with that of the audited financial statements included in the Registration Statement and, in the case of any such pro forma data, the pro forma financial statements included in the Registration Statement, the General Disclosure Package and the Prospectus. The Company’s ratios of earnings to fixed charges and, if applicable, ratios of earnings to combined fixed charges and preferred stock dividends (actual and, if any, pro forma) included in the General

Disclosure Package and the Prospectus have been calculated in compliance with Item 503(d) of Regulation S-K of the Commission. The pro forma financial statements and related notes included in the Registration Statement, the General Disclosure Package and the Prospectus fairly present in all material respects the information shown therein, have been prepared in accordance with the Commission’s rules and guidelines with respect to pro forma financial statements and have been

properly compiled on the basis described therein, and the assumptions used in the preparation thereof are reasonable and the adjustments used therein are appropriate to give effect to the transactions and circumstances referred to therein; and any pro forma financial information included in the Registration Statement, the General Disclosure Package and the Prospectus has been accurately and appropriately derived therefrom. All disclosures contained in the Registration Statement, the General Disclosure Package and the Prospectus regarding “non-GAAP financial measures” (as such term is defined by the rules and regulations of the Commission) comply with Regulation G under the 1934 Act and Item 10 of Regulation S-K of the 1933 Act Regulations, to the extent applicable. The interactive data in eXtensible Business Reporting Language included in any of the documents incorporated by reference in the Registration Statement, the General Disclosure Package and the Prospectus fairly presents the information called for in all material respects and has been prepared in accordance with the Commission’s rules and guidelines applicable thereto.

(v) No Material Adverse Change in Business. Since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package and the Prospectus, except as otherwise stated therein, (A) there has been no material adverse change in the condition, financial or otherwise, or in the earnings, business affairs, financial prospects or business prospects of the Company and its subsidiaries considered as one enterprise (a “Material Adverse Effect”), whether or not arising in the ordinary course of business, (B) there have been no transactions entered into by the Company or any of its subsidiaries, other than those in the ordinary course of business, which are material with respect to the Company and its subsidiaries considered as one enterprise, and (C) except for regular monthly distributions on the Common Stock in amounts per share that are consistent with past practice and regular monthly dividends on the Company’s 6.625% Monthly Income Class F Cumulative Redeemable Preferred Stock, par value \$0.01 per share (the “Class F Preferred Stock”), there has been no dividend or distribution of any kind declared, paid or made by the Company on any class of its stock.

(vi) Good Standing of the Company. The Company is a corporation duly organized and validly existing under the laws of the State of Maryland and is in good standing with the State Department of Assessments and Taxation of Maryland and has corporate power and authority to own, lease and operate its properties and to conduct its business as described in the General Disclosure Package and the Prospectus and to enter into and perform its obligations under this Agreement, the Indenture and the Securities; and the Company is duly qualified as a foreign corporation to transact business and is in good standing in each other jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure so to qualify or to be in good standing would not result in a Material Adverse Effect.

(vii) Good Standing of Subsidiaries. The Company does not hold any equity interest in any corporation, limited or general partnership, limited liability company, business trust, joint venture or entity other than its subsidiaries. Each subsidiary of the Company has been duly organized and is validly existing as a partnership, limited liability company, business trust or

corporation, as the case may be, in good standing under the laws of the state of its organization and has power and authority as a partnership, limited liability company, business trust or corporation, as the case may be, to own, lease and operate its properties and to conduct its business as described in the General Disclosure Package and the Prospectus; each such subsidiary is duly qualified as a foreign partnership, limited liability company, business trust or corporation, as the case may be, to transact business and is in good standing in each other jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure so to qualify or to be in good standing would not result in a Material Adverse Effect; except as otherwise disclosed in the General Disclosure Package and the Prospectus, all of the issued and outstanding partnership interests, limited liability company interests, business trust interests and shares of capital stock, as the case may be, of each such subsidiary have been duly authorized (if applicable) and validly issued and are fully paid and are non-assessable (except to the extent that the general partners of subsidiaries which are partnerships may be liable for the obligations of such partnerships) and are owned by the Company, directly or through subsidiaries, free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity; none of the outstanding partnership interests, limited liability company interests, business trust interests or shares of capital stock, as the case may be, of such subsidiaries were issued in violation of preemptive or other similar rights arising by operation of law, under the partnership agreement, declaration of trust or trust agreement, limited liability company agreement (or other similar agreement) or charter or bylaws, as the case may be, of any such subsidiary or under any agreement or instrument to which the Company or any such subsidiary is a party. As of the date of the Company's most recent balance sheet included or incorporated by reference in the Registration Statement and the Prospectus, no direct or indirect subsidiary of the Company had (on an unconsolidated basis) total assets in excess of 5% of the Company's consolidated assets as of that date or, for the quarter then ended, would have had (on an unconsolidated basis) rental revenue in excess of 5% of the Company's consolidated rental revenue for such quarter.

(viii) Capitalization. The authorized stock of the Company and the issued and outstanding stock of the Company are as set forth in the line items "Preferred stock and paid in capital" and "Common stock and paid in capital" set forth in the consolidated balance sheet as of June 30, 2016 contained in the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2016 (except for subsequent issuances, if any, pursuant to this Agreement, pursuant to employee benefit plans referred to in the Statutory Prospectus and the Prospectus, pursuant to the dividend reinvestment and stock purchase plan referred to in the Statutory Prospectus and the Prospectus or pursuant to the exercise of options referred to in the Statutory Prospectus and the Prospectus). There are

no outstanding securities convertible into or exchangeable or exercisable for shares of Common Stock or Preferred Stock other than (i) the Company's outstanding shares of Class F Preferred Stock, which are convertible into Common Stock at the option of the holders thereof upon the occurrence of certain change of control events affecting the Company, (ii) up to 317,022 shares of Common Stock that may be issued upon the exchange of certain limited partnership interests in Tau Operating Partnership, LP, a Delaware limited partnership (the "Tau LP") and (iii) up to 88,182

shares of Common Stock that may be issued upon the exchange of certain limited partnership interests in Realty Income, L.P., a Maryland limited partnership (“RI LP”).

(ix) Authorization of Agreement. This Agreement has been duly authorized, executed and delivered by the Company.

(x) Authorization of Capital Stock. The shares of issued and outstanding Common Stock and Class F Preferred Stock have been duly authorized and validly issued and are fully paid and non-assessable; none of the outstanding shares of Common Stock or Class F Preferred Stock was issued in violation of preemptive or other similar rights arising by operation of law, under the charter or bylaws of the Company, under any agreement or instrument to which the Company or any of its subsidiaries is a party or otherwise, and the Common Stock and the Class F Preferred Stock conform to all statements relating thereto contained or incorporated by reference in the General Disclosure Package and the Prospectus and such statements conform to the rights set forth in the instruments defining the same.

(xi) Absence of Defaults and Conflicts. Neither the Company nor any of its subsidiaries is in violation of its charter or bylaws, its partnership agreement, declaration of trust or trust agreement, or its limited liability company agreement (or other similar agreement), as the case may be, or in default in the performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which any of them may be bound or to which any of the respective properties or assets of the Company or any subsidiary is subject (collectively, “Agreements and Instruments”), except for such defaults that would not have a Material Adverse Effect; and the execution, delivery and performance of this Agreement, the Indenture and the Securities and the consummation of the transactions contemplated herein and therein (including the issuance and sale of the Securities and the use of the proceeds from the sale of the Securities as described in the Statutory Prospectus and the Prospectus under the caption “Use of Proceeds”) and compliance by the Company with its obligations hereunder and thereunder have been duly authorized by all necessary corporate action and do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default or Repayment Event (as defined below) under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any subsidiary pursuant to, any Agreement or Instrument, except for such conflicts, breaches or defaults or liens, charges or encumbrances that, individually or in the aggregate, would not have a Material Adverse Effect, nor will such action result in any violation of the provisions of the charter or bylaws of the Company or any

applicable law, rule, regulation, or governmental or court judgment, order, writ or decree. Neither the Company nor any of its subsidiaries is subject to any governmental or court judgment, order, writ or decree that is material with respect to the Company and its subsidiaries considered as one enterprise. As used herein, a “Repayment Event” means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such

holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any subsidiary of the Company or any of its subsidiaries.

(xii) Absence of Labor Dispute. No labor dispute with the employees of the Company or any subsidiary of the Company exists or, to the best knowledge of the Company, is imminent; and the Company is not aware of any existing or imminent labor disturbance by the employees of any of its or any subsidiary's tenants, which, in either case, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

(xiii) Absence of Proceedings. The Company has not received any notice of any action, suit, proceeding, inquiry or investigation before or by any court or governmental agency or body, domestic or foreign, and there is no such proceeding now pending or, to the best knowledge of the Company, threatened, against or affecting the Company or any of its subsidiaries, which is required to be disclosed in the Registration Statement, the Statutory Prospectus or the Prospectus (other than as disclosed therein), or which could reasonably be expected to result in a Material Adverse Effect, or which could reasonably be expected to materially and adversely affect the consummation of this Agreement or the performance by the Company of its obligations under this Agreement, the Indenture or the Securities; and the aggregate of all pending legal or governmental proceedings to which the Company or any subsidiary is a party or of which any of their respective property or assets is the subject which are not described in the Registration Statement, the Statutory Prospectus or the Prospectus, including ordinary routine litigation incidental to the business, could not reasonably be expected to result in a Material Adverse Effect.

(xiv) Accuracy of Exhibits. There are no contracts or documents which are required to be described in the Registration Statement, the Statutory Prospectus or the Prospectus or the documents incorporated by reference therein or to be filed as exhibits thereto which have not been so described and/or filed as required.

(xv) Possession of Intellectual Property. The Company and its subsidiaries own or possess, or can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, "Intellectual Property") necessary to carry on the business now operated by them, and neither the Company nor any of its subsidiaries has received any notice or is otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances which would render any Intellectual Property invalid or inadequate to protect the interest of the Company or any of its subsidiaries therein, and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, singly or in the aggregate, would result in a Material Adverse Effect.

(xvi) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority

or agency is necessary or required for the performance by the Company of its obligations under this Agreement, the Indenture or the Securities, in connection with the offering, issuance or sale of the Securities hereunder or the consummation of the other transactions contemplated by this Agreement, the Indenture or the Securities, except such as have been already made or obtained under the 1933 Act, the 1933 Act Regulations, the 1939 Act or the 1939 Act Regulations or as may be required under state securities laws.

(xvii) Possession of Licenses and Permits. The Company and its subsidiaries possess such permits, licenses, approvals, consents and other authorizations (collectively, “Governmental Licenses”) issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to conduct the business now operated by them and the Company and its subsidiaries are in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to possess or comply would not, singly or in the aggregate, have a Material Adverse Effect; all of the Governmental Licenses are valid and in full force and effect, except where the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not, singly or in the aggregate, have a Material Adverse Effect; and neither the Company nor any of its subsidiaries has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in a Material Adverse Effect.

(xviii) Investment Company Act. The Company is not, and upon the issuance and sale of the Securities as herein contemplated and the application of the net proceeds therefrom as described in the Statutory Prospectus and the Prospectus under “Use of Proceeds” will not be, an “investment company” as such term is defined in the Investment Company Act of 1940, as amended (the “1940 Act”).

(xix) Partnership Agreements. It is understood that each Underwriter has authorized the Representatives, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Securities, which it has agreed to purchase. Citigroup Global Markets Inc., individually and not as a Representative of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose payment therefor has not been received by the Closing Time, but such payment shall not relieve such Underwriter from its obligations hereunder.

SECTION 3. Covenants of the Company. The Company covenants with each Underwriter as follows:

(a) *Compliance with Securities Regulations and Commission Requests.* The Company, subject to Section 3(b), will comply with the requirements of Rule 430B and will notify the Representatives immediately, and confirm the notice in writing, (i) when any post-effective amendment to the Registration Statement or new registration statement relating to the Securities shall become effective, or any supplement to the Prospectus or any amended Prospectus or any Issuer Free Writing Prospectus shall have been filed, (ii) of the receipt of any comments from the Commission, (iii) of any request by the Commission for any amendment to the Registration Statement or the filing of a new registration statement or any amendment or supplement to the Prospectus or any document incorporated or deemed to be incorporated by reference or otherwise deemed to be a part of or included in any of the foregoing (including, without limitation, pursuant to Rule 430B) or for additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or such new registration statement or of any order preventing or suspending the use of any preliminary prospectus, or of the suspension of the qualification of the Securities for offering or sale

The Company will effect the filings required under Rule 424(b), in the manner and within the time period required by Rule 424(b) (without reliance on Rule 424(b)(8)), and, if applicable, will take such steps as it deems necessary to ascertain promptly whether the form of prospectus supplement or prospectus transmitted for filing under Rule 424(b) was received for filing by the Commission and, in the event that it was not, it will promptly file such prospectus supplement or prospectus, as the case may be. The Company will make every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(b) *Filing of Amendments.* The Company will give the Representatives notice of its intention to file or prepare any amendment to the Registration Statement or new registration statement relating to the Securities or any amendment, supplement or revision to either any preliminary prospectus (including any prospectus included in the Registration Statement or amendment thereto at the time it became effective) or to the Prospectus, whether pursuant to the 1933 Act, the 1934 Act or otherwise, will furnish the Representatives with copies of any such documents a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which the Representatives or counsel for the Underwriters shall object. The Company has given the Representatives notice of any filings made pursuant to the 1934 Act or 1934 Act Regulations within 48 hours prior to the Applicable Time; the Company will give the Representatives notice of its intention to make any such filing from the Applicable Time through the Closing Time and will furnish the Representatives with copies of any such documents a reasonable amount of time prior to such proposed filing and will not file or use any such document to which the Representatives or counsel for the Underwriters shall object.

(c) *Issuer Free Writing Prospectuses.* The Company represents and agrees that, unless it obtains the prior consent of the Representatives, and each Underwriter, severally and not jointly, represents and agrees that, unless it obtains the prior consent of the Company and the Representatives, it has not made and will not make any offer relating to the Securities that would constitute an “issuer free writing prospectus,” as defined in Rule 433, or that would otherwise constitute a “free writing prospectus,” as defined in Rule 405, required to be filed with the Commission, except that the Underwriters may use a free writing prospectus containing the information contained in the Pricing Term Sheet. Any such free writing prospectus consented to by the Company and the Representatives is hereinafter referred to as a “Permitted Free Writing Prospectus” and, for purposes of clarity, the parties hereby agree that each Issuer General Use Free Writing Prospectus listed on Schedule D hereto (if any) is a Permitted Free Writing Prospectus. The Company represents that it has treated or agrees that it will treat each Permitted Free Writing Prospectus as an “issuer free writing prospectus,” as defined in Rule 433, and has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

(d) *Delivery of Registration Statement.* The Company has furnished or will deliver to the Representatives and counsel for the Underwriters, without charge, as many signed and conformed copies of the Registration Statement as originally filed and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated or deemed to be incorporated by reference therein) as the Representatives and counsel for the Underwriters may reasonably request. The copies of the Registration Statement and each amendment thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, if any, except to the extent permitted by Regulation S-T.

(e) *Delivery of Prospectuses.* The Company has delivered to each Underwriter, without charge, as many copies of each preliminary prospectus, if any, as such Underwriter reasonably requested, and the Company has delivered to each Underwriter, without charge, as many copies of each Issuer Free Writing Prospectus, if any, as such Underwriter reasonably requested, and the Company hereby consents to the use of such copies for purposes permitted by the 1933 Act. The Company will furnish to each Underwriter, without charge, during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act (or would be required to be delivered upon request by a purchaser pursuant to Rule 173 under the 1933 Act), such number of copies of the Prospectus (as amended or supplemented) as such Underwriter may reasonably request. The Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(f) *Continued Compliance with Securities Laws.* The Company will comply with the 1933 Act and the 1933 Act Regulations and the 1934 Act and the 1934 Act Regulations and the 1939 Act and the 1939 Act Regulations so as to permit the completion of the distribution of the Securities as contemplated in this Agreement and in the General Disclosure Package and the Prospectus. If at any time when a prospectus is required by the 1933 Act to be delivered (or would be required to be delivered upon request by a purchaser pursuant to Rule 173 under the 1933 Act) in connection with sales of the Securities, any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Underwriters or for the Company, to amend the Registration Statement or amend or supplement the Prospectus in order that the Prospectus will not include any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of any such counsel, at any such time to amend the Registration Statement or to file a new registration statement relating to the Securities or amend or supplement the Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, the Company will promptly prepare and file with the Commission, subject to Section 3(b), such amendment, supplement or new registration statement

amendment or new registration statement declared effective as soon as practicable (if it is not an automatic shelf registration statement with respect to the Securities), and the Company will furnish to the Underwriters such number of copies of such amendment, supplement or new registration statement as the Underwriters may reasonably request. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement (or any other registration statement relating to the Securities) or the Statutory Prospectus or any other preliminary prospectus, the Company will promptly notify the Representatives and will promptly cease use of such Issuer Free Writing Prospectus or amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, the Company will promptly notify the Representatives and will promptly cease use of such Issuer Free Writing Prospectus and amend or supplement, at its own expense, either (a) such Issuer Free Writing Prospectus or (b) the Statutory Prospectus and the Prospectus, to eliminate or correct such conflict, untrue statement or omission.

(g) *Blue Sky Qualifications.* The Company will use its best efforts, in cooperation with the Underwriters, to qualify the Securities for offering and sale under the applicable securities laws of such states and other jurisdictions of the United States as the Representatives may designate and to maintain such qualifications in effect for a period of not less than one year from the date hereof; *provided, however*, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject. In each jurisdiction in which the Securities have been so qualified, the Company will file such statements and reports as may be required by the laws of such jurisdiction to continue such qualification in effect for a period of not less than one year from the date hereof.

(n) *Restriction on Sale of Securities.* During the period beginning on the date of this Agreement through and including the Closing Time, the Company will not, without the prior written consent of the Representatives, directly or indirectly, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, any debt securities of the Company or any securities convertible into or exercisable or exchangeable for any debt securities of the Company (except for the Securities sold to the Underwriters pursuant to this Agreement) or file any registration statement under the 1933 Act with respect to any of the foregoing.

SECTION 4. Payment of Expenses.

(a) *Expenses.* The Company will pay all expenses incident to the performance of its obligations under this Agreement, including (i) the word processing, printing and filing of the Registration Statement (including financial statements and exhibits) as originally filed and of each amendment thereto,

(b) *Termination of Agreement.* If this Agreement is terminated by the Representatives in accordance with the provisions of Section 5 or Section 9(a)(i) or 9(a)(v) hereof, the Company shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Underwriters.

SECTION 5. Conditions of Underwriters’ Obligations. The obligations of the several Underwriters hereunder are subject to the accuracy of the representations and warranties of the Company contained in Section 1 hereof and in certificates of any officer of the Company or any subsidiary of the Company delivered pursuant to the provisions hereof, to the performance by the Company of its covenants and other obligations hereunder, and to the following further conditions:

(a) *Effectiveness of Registration Statement.* The Registration Statement has become effective and at Closing Time no stop order suspending the effectiveness of the Registration Statement shall have been issued under the 1933 Act or proceedings therefor initiated or threatened by the Commission, and any request on the part of the Commission for additional information shall have been complied with to the reasonable satisfaction of

The Pricing Term Sheet and all other Issuer General Use Free Writing Prospectuses, if any, have been filed, and all Issuer Limited Use Free Writing Prospectuses, if any, have, if required by the 1933 Act Regulations, also been filed with the Commission in the manner and within the time period required by Rule 433. The Company shall have paid the required Commission filing fees relating to the Securities within the time period required by Rule 456(b)(1) of the 1933 Act Regulations without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) of the 1933 Act Regulations and, if applicable, shall have updated the “Calculation of Registration Fee” table in accordance with Rule 456(b)(1)(ii) either in a post-effective amendment to the Registration Statement or on the cover page of the Prospectus filed pursuant to Rule 424(b).

(b) *Opinions of Counsel for Company.* At Closing Time, (i) the Representatives shall have received the favorable opinions, dated as of Closing Time, of Latham & Watkins LLP, counsel for the Company, Michael R. Pfeiffer, Executive Vice President, General Counsel and Secretary of the Company, and Venable LLP, Maryland counsel to the Company, each in form and substance satisfactory to counsel for the Underwriters, to the effect set forth in Exhibits A, B and C hereto, respectively, and to such further effect as counsel to the Underwriters may reasonably request pursuant to Section 5(h); and (ii) if such Maryland counsel shall deliver a Separate Opinion (as defined in the last paragraph of Exhibit C hereto), the Representatives shall have received such Separate Opinion, which shall comply with the requirements of the last paragraph of Exhibit C.

(c) *Opinion of Counsel for the Underwriters.* At Closing Time, the Representatives shall have received the favorable opinion, dated as of Closing Time, of Sidley Austin LLP, counsel for the Underwriters, with respect to this Agreement, the Indenture, the Securities, the Registration Statement, the General Disclosure Package and the Prospectus and such other matters as you may reasonably request. In giving such opinion such counsel may rely, as to all matters arising under or governed by the laws of the State of Maryland, upon the opinion of Venable LLP delivered pursuant to Section 5(b) and, as to all matters governed by the laws of other jurisdictions (other than the law of the State of New York and the federal law of the United States) upon the opinions of counsel satisfactory to the Representatives.

(d) *Officers’ Certificate.* At Closing Time, there shall not have been, since the date hereof or since the respective dates as of which information is given in the General Disclosure Package or the Prospectus, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs, financial prospects or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, and the Representatives shall have received a certificate of the Chairman, the President or the chief operating officer of the Company and of the chief financial or chief accounting officer of the Company, dated

as of Closing Time, to the effect that (i) there has been no such material adverse change, (ii) the representations and warranties in Section 1 hereof are true and correct with the same force and effect as though expressly made at and as of Closing Time, (iii) the Company has complied with all

agreements and satisfied all conditions on its part to be performed or satisfied under this Agreement at or prior to Closing Time, and (iv) no stop order suspending the effectiveness of the Registration Statement nor any notice pursuant to Rule 401(g)(2) objecting to the use of the automatic shelf registration statement form has been issued and no proceedings for that purpose have been initiated or, to the best of their knowledge, threatened by the Commission.

(e) *Company Accountant's Comfort Letter.* (i) At the time of the execution of this Agreement, the Representatives shall have received from KPMG LLP a letter, dated such date, in form and substance satisfactory to the Representatives, together with signed or reproduced copies of such letter for each of the Underwriters, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the Company's financial statements and certain financial information contained in the Registration Statement, the Statutory Prospectus and the Prospectus; and (ii) at the Closing Time the Representatives shall have received from KPMG LLP a letter, dated as of Closing Time, to the effect that they reaffirm the statements made in the letter furnished pursuant to clause (i) of this subsection (e) of this Section, except that the specified date referred to therein shall be a date not more than three business days prior to Closing Time.

(f) [Intentionally omitted.]

(g) *Rating Requirement.* The Securities shall have credit ratings and outlooks from Moody's Investors Service Inc. ("Moody's"), Standard & Poor's ("S&P") and Fitch, Inc. ("Fitch") at the Closing Time that are the same as or better than the respective ratings and outlooks set forth in the Pricing Term Sheet filed with the Commission on the date hereof, and the Company shall have delivered to the Representatives a letter, dated the Closing Time, from each such rating agency, or other evidence satisfactory to the Representatives, confirming that the Securities have such ratings.

(h) *Additional Documents.* At the Closing Time, counsel for the Underwriters shall have been furnished with such documents and opinions as they may reasonably require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Securities as herein contemplated shall be satisfactory in form and substance to the Representatives and counsel for the Underwriters.

(i) *Termination of Agreement.* If any condition specified in this Section shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Representatives by notice to the Company at any time at or prior to Closing Time, and such termination shall be without liability of any party to any other party except as provided in Section 4 and except that Sections 6, 7, 13 and 15 shall survive any such termination and remain in full force and effect.

SECTION 6. Indemnification.

(a) *Indemnification of Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, each person that is an affiliate or a selling agent of any Underwriter and that is involved in the offering or sale of the Securities, and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including, without limitation, the Rule 430B Information, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in any preliminary prospectus, any Issuer Free Writing Prospectus, the General Disclosure Package (or any part thereof) or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, provided that (subject to Section 6(d) below) any such settlement is effected with the written consent of the Company; and

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Representatives), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use in the Registration Statement (or any amendment thereto) or any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto).

(b) *Indemnification of Company, Directors and Officers.* Each Underwriter severally agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in

the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), including, without limitation, the Rule 430B Information, or any preliminary prospectus, any Issuer Free Writing Prospectus, the General Disclosure Package (or any part thereof) or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein.

(c) *Actions against Parties; Notification.* Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 6(a) above, counsel to the indemnified parties shall be selected by the Representatives, and, in the case of parties indemnified pursuant to Section 6(b) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; *provided, however,* that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) *Settlement without Consent if Failure to Reimburse.* If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 6(a)(ii) effected without its written consent if (i) such settlement is entered into more than 60 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 45 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

SECTION 7. Contribution. If the indemnification provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to

the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other hand from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and of the Underwriters on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company on the one hand and the Underwriters on the other hand in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the total underwriting discount received by the Underwriters, in each case as set forth on the cover of the Prospectus bear to the aggregate initial public offering price of the Securities as set forth on such cover.

The relative fault of the Company on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 7 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 7, each person that is an affiliate or a selling agent of any Underwriter

and that is involved in the offering or sale of the Securities and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company. The Underwriters' respective obligations to contribute pursuant to this Section 7 are several in proportion to the aggregate principal amount of Securities set forth opposite their respective names in Schedule A hereto and not joint.

SECTION 8. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and agreements contained in this Agreement and in certificates of officers of the Company submitted pursuant hereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or any affiliate, selling agent or controlling person of any Underwriter, or by or on behalf of the Company, and shall survive delivery of the Securities to the Underwriters.

SECTION 9. Termination of Agreement.

(a) *Termination; General.* The Representatives may terminate this Agreement, by notice to the Company, at any time at or prior to Closing Time (i) if in the reasonable judgment of the Representatives, there has been, since the time of execution of this Agreement or since the respective dates as of which information is given in the Prospectus or the General Disclosure Package, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs, financial prospects or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Representatives, impracticable or inadvisable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) if trading in any securities of the Company has been suspended or limited by the Commission, the New York Stock Exchange or the Nasdaq Global Market, or if trading generally on the NYSE MKT or the New York Stock Exchange or in the Nasdaq Global Market has been suspended or limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of the Commission, the FINRA or any other governmental authority, or a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States, or (iv) if a banking moratorium has been declared by either Federal, California or New York authorities, or (v) if since the date of this Agreement, there has occurred a downgrading in the rating assigned to the Securities, any class or series of Preferred Stock or any of the Company's other debt securities

by any nationally recognized securities rating agency, or any such securities rating agency has publicly announced that it has under surveillance or review, with possible negative implications or without indicating the direction of the possible change, its rating of the Securities, any class or series of Preferred Stock or any

of the Company's other debt securities.

(b) *Liabilities*. If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 6, 7, 13 and 15 shall survive such termination and remain in full force and effect.

SECTION 10. Default by One or More of the Underwriters. If one or more of the Underwriters shall fail at the Closing Time to purchase the Securities which it or they are obligated to purchase under this Agreement at such time (the "Defaulted Securities"), the Representatives shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representatives shall not have completed such arrangements within such 24-hour period, then:

(a) if the aggregate principal amount of the Defaulted Securities does not exceed 10% of the aggregate principal amount of the Securities set forth on Schedule A hereto, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(b) if the aggregate principal amount of the Defaulted Securities exceeds 10% of the aggregate principal amount of the Securities set forth on Schedule A hereto, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement, either the Representatives or the Company shall have the right to postpone the Closing Time, for a period not exceeding seven days in order to effect any required changes in the Registration Statement or Prospectus or in any other documents or arrangements. As used herein, the term "Underwriter" includes any person substituted for an Underwriter under this Section 10.

SECTION 11. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Underwriters shall be directed to them c/o Citigroup Global Markets Inc., 388 Greenwich Street, New York, New York 10013, Attention: General Counsel, Facsimile: 646-291-1469; Barclays Capital Inc., 745 Seventh Avenue, New York, New York 10019, Attention: Syndicate Registration, Facsimile: 646-834-8133; BNY Mellon Capital Markets, LLC, 101 Barclay Street, 3W, New York, New York 10286, Attention: Debt Capital Markets; Goldman,

SECTION 12. Parties. This Agreement shall inure to the benefit of and be binding upon the Underwriters, including any substitute Underwriters pursuant to Section 10 hereof, and the Company and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Underwriters and the Company and their respective successors and the affiliates, selling agents, controlling persons and officers and directors referred to in Sections 6 and 7 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Underwriters and the Company and their respective successors, and said affiliates, selling agents, controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities from any Underwriter shall be deemed to be a successor by reason merely of such purchase.

SECTION 13. No Advisory or Fiduciary Responsibility; Tax Disclosure. (a) The Company acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the public offering price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand, and the Company is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with each transaction contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary of the Company or its affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement; (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the several Underwriters have no obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

(b) Notwithstanding any other provision of this Agreement, immediately upon commencement of discussions with respect to the transactions contemplated hereby, the Company (and each employee, representative or other agent of the Company) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the

the foregoing, the term “tax treatment” is the purported or claimed federal income tax treatment of the transactions contemplated hereby, and the term “tax structure” includes any fact that may be relevant to understanding the purported or claimed federal income tax treatment of the transactions contemplated hereby.

SECTION 14. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the several Underwriters, or any of them, with respect to the subject matter hereof. The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the several Underwriters with respect to any breach or alleged breach of agency or fiduciary duty.

SECTION 15. GOVERNING LAW AND TIME. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED IN SAID STATE. EXCEPT AS OTHERWISE SET FORTH HEREIN, SPECIFIED TIMES OF DAY REFER TO NEW YORK CITY TIME.

SECTION 16. Waiver of Jury Trial. The Company hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

SECTION 17. Effect of Headings and Table of Contents; Counterparts. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.
